COLD OPEN ON:

A rundown BIKER ROADHOUSE with numerous MOTORCYCLES parked out front in a row. We can hear the sounds of a wild time going on inside -- BREAKING GLASS, ROADHOUSE BLUES, RAUCOUS LAUGHTER, etc. CUT TO:

INT. ROADHOUSE - CONTINUOUS

We see that "The Spankers", a HARDCORE BIKER GANG have taken over the place. They're a rough and tumble bunch with scraggly beards, and have "SPANKERS" patches stitched into the backs of their LEATHER JACKETS or VESTS. The other PATRONS look uncomfortable.

At the bar, the SPANKER CHIEF, a slovenly bully, does his best to cozy up to a FEMALE PATRON. She is obviously uncomfortable. The BARTENDER keeps a nervous eye on the situation.

SPANKER CHIEF

1 Hey little Muffin, how about you and me go for a moonlight ride? 1

FEMALE PATRON

2 No thank you. I'm... um... allergic to swarthy (alt: stubble, low IQ's, gross, the stink of desperation). 2

SPANKER CHIEF leans in closer with a menacing smile.

SPANKER CHIEF

3 Then you don't know what you're missing. 3

Suddenly the roadhouse goes silent. SOMEONE off-screen calls out to SPANKER CHIEF.

SOMEONE (ODNARB)

4 Step away from the lady. 4

SPANKER CHIEF turns to face the interloper, it is ODNARB, a surprisingly charismatic Orc with green skin, pointy ears, tusks, and long black hair. He is dressed in "Wild One" BIKER LEATHERS, DENIM JEANS and RIDING CAP. THE WILD BROOD stands behind ODNARB in full support. They are all dressed in similar BIKER ATTIRE. SPANKER CHIEF doesn't back down.

SPANKER CHIEF

5 What do we have here? <beat> Seriously, what do we have here? 5

GABTRAF, a smaller Goblin-sized Orc steps between ODNARB and SPANKER CHIEF. **

GABTRAF **
6 We are The Wild Brood, human. And 6 **
this is our most terrifying leader, **
Odnarb the Powerful. He demands **
that you vacate the premises **
immediately. **

The Spankers glance at each other, some of them are a little scared, the SPANKER CHIEF is not. **

SPANKER CHIEF
7 You want us to leave our own place? 7

GABTRAF
8 In a word -- yes. 8

The Spankers take a beat before ERUPTING IN LAUGHTER. Deadly serious, the Spankers move menacingly toward Odnarb.

SPANKER CHIEF
9 This road house is Spanker 9 **
territory... **
(holds up his fist) **
10 ...so unless you want a mouth full 10 **
of Spanker... **

Odnarb holds up his hand, stopping him in mid-sentence.

ODNARB **
11 Cool it, daddy. 11 **
(turns to his boys) **
12 We tried takin' the high road, 12 **
didn't we Gabtraf?

GABTRAF **
13 Yes, we did indeed. 13

Odnarb SIGHS, then SNAPS his fingers and three additional Orcs, KROD, DREN, and FOOG step in. Each of them is a massive bruiser, quite capable of delivering some serious hurt. The Spankers grow pale and do a collective GULP as Odnarb closes the door and LOCKS it. CUT TO:

EXT. ROADHOUSE - CONTINUOUS

Instantly we hear the sounds of a MAJOR FIGHT as the Wild Brood cleans house. One by one the Spankers come CRASHING through the windows, the door, and even the roof. The Spankers scamper off as soon as they HIT the ground, WHIMPERING like puppy dogs. CUT TO:

INT. ROADHOUSE - CONTINUOUS

Odnarb sits at a table near the now TREMBLING bartender.

ODNARB
Now that was some roarin' good fun.
(to bartender)
A round of cappuccinos for my orcs, and make them extra frothy!

BARTENDER
Sa-sa-sure thing, buddy.

He starts making the coffee.

BARTENDER (CONT'D)
So, you fellas gonna be sticking around here for long?

ODNARB
We're headed down the coast to Crystal Cove for a little rest and relaxation.

GABTRAF
"Crystal Cove". Even the name sounds "breakable"!

ODNARB
The local clydes won't soon forget the Wild Brood, right brothers?

ORCS
<laugh, toasting each other, then chant>
WILD BROOD! WILD BROOD!

PUSH IN on Odnarb's grin as we...

CUT TO:

ACT ONE

MAYOR JONES and SHERIFF STONE are at a table at the TIKI TUB. The Sheriff takes a sip from his umbrella drink.

SHERIFF STONE
Ah, dee-lish! I've got to hand it to you Mayor, your decision to re-build the Tiki Tub after it was destroyed by those humongonauts shows true civic leadership.

MAYOR JONES
24 Thank you Sheriff. The residents of Crystal Cove were crying out for kitschy Polynesian-based culture and as their Mayor, I am happy to answer their call. 24

(looking OS)
25 Besides, my son needs all the help he can get. 25

They look over to a nearby BOOTH where FRED and DAPHNE are sitting. Fred looks uncomfortable, Daphne is beaming.

DAPHNE
26 Oh Freddy, this is such a romantic setting for our first date. 26

FRED
(clueless)
27 If you say so. All I know is since my Dad owns the place we get free refills! 27

ANGLE ON THE MAYOR -- shakes his head.

MAYOR JONES
(muttering)
28 Meandering moleskins! It'll be a miracle if I ever see any grandkids! 28

ANGLE ON DAPHNE AND FRED, undeterred, she scoots closer, making him tug at his ascot.

DAPHNE
29 Well, regardless, it's nice that we can spend some time together all alone, isn't it? 29

SHAGGY (O.S.)
30 Yeah, it is, but where's the waiter? I'm starved! 30

WIDEN TO REVEAL SHAGGY, SCOOBY, and VELMA sitting in the next booth. Shaggy and Scooby are leaning over the back of the booth, looking right at Daphne and Fred.

SCOOBY
31 Me too! 31

VELMA
32 Sit down, you two. Daphne and Fred deserve a little privacy. 32

Shaggy and Scooby sit.

SHAGGY
33 Okay, but like my stomach deserves a big plate of chow! Why did Fred drag us along on this date if he wasn't going to feed us? 33

Daphne's eyes narrow.

DAPHNE
(to Fred)
34 You invited them along? 34

FRED
35 Sure. We're all friends, right? And friends like to hang together, right? 35

DAPHNE
36 Oh Fred, this was supposed to be *our* evening! 36

Upset, Daphne scoots away from him, sucking on the straw in her drink.

FRED
37 Daphne! I didn't mean -- 37

DAPHNE
38 Slurrrrrrp! Oh look at that -- I need a *refill*. 38

Daphne storms away.

ANGLE ON Shaggy, Scooby, and Velma.

SHAGGY
39 Zoinks! Like, awkward. Not at all like how the three of us get along. Eh, best buddies of mine? 39

Shaggy puts his arms around Scooby and Velma's shoulders.

SCOOBY
40 That's right! 40

Velma peels off Shaggy's arm.

VELMA
41 As a former boyfriend, you have officially lost all "arms around the shoulders" privileges. Got it? 41

Just then, a LOUD RUMBLE fills the air and all the Tiki Tub patrons turn to see that Odnarb and the other four orcs have arrived on their nasty-looking ORC BIKES. They climb off their choppers and stroll onto the Tiki Tub grounds.

ANGLE ON the Mayor and the Sheriff.

MAYOR JONES
(concerned)
42 Sheriff! 42

SHERIFF STONE
43 Don't worry, Mr. Mayor, I've got this covered. 43

The Sheriff confronts Odnarb.

SHERIFF STONE
44 Hold it right there, leather wearing creepy. Per Section 741.b Of the Crystal Cove bylaws, there are no monsters or monster-like creatures allowed in public areas -- 44

MAYOR JONES
45 Unless tickets are being sold. 45

SHERIFF STONE
46 Right you are, Mayor. 46
(back to Odnarb)
47 So why don't you and your friends go back to your caves, dungeons, or other dark places where your kind lurks. 47

Everyone GASPS when Odnarb leaps on top of a CAFE TABLE.

ODNARB
48 Monsters? Is that what you squares think we are? 48

EVERYONE
49 Yes. 49

ODNARB
50 Typical humans. Hold up a mirror, Mr. and Mrs. Average Citizen, and you'll see a reflection of your own dark souls -- 50 ** **

ANGLE ON DAPHNE, reappearing with her drink -- struck by this creature.

DAPHNE
51 Wow. He's different. 51

ODNARB
52 The Wild Brood rejects your labels 52
and puts all of "Crystal Clydes" -- **

SHERIFF STONE
53 It's Crystal Cove. 53

ODNARB
54 -- on notice. The real monsters 54
here are living inside of you!

ANGLE ON Scooby and Shaggy as they frantically check their torsos for monster bulges.

SHAGGY AND SCOOBY
55 Inside us?! Zoinks! Where?! 55

BACK ON DAPHNE still taken with Odnarb. He notices her gaze and moves closer.

DAPHNE
56 Goodness. That was very...poetical. 56

ODNARB
57 Why thank you, miss. Nice to know 57
that someone around here gets me.

Fred storms over to Odnarb and Daphne.

FRED
58 Daphne, are you okay? Get lost ya 58
big creep!

DAPHNE
59 Fred Jones, you apologize! 59

Odnarb steps between them.

ODNARB
60 We're cutting out of here anyway. 60 **

FRED
61 Good! 61

ODNARB
62 The only question left is -- 62
(to Daphne)
63 Would you like to come with us? 63

Everyone, including Daphne, is surprised by this question. Then:

DAPHNE
64 Well, I... 64

Daphne looks at the drink in her hand. At Fred. Then --

DAPHNE
65 You know what? Yes. Yes, I would. 65

FRED
66 What?! 66

DAPHNE
67 Velma, care to join me? 67

VELMA
68 Deee-lighted. 68 **

SHAGGY
69 What?! 69

Velma smiles at Shaggy's reaction and slides out of the booth.

Daphne and Velma hop onto the back of two of the Wild Brood's bikes. Fred and Shaggy run over to them.

FRED
70 Daphne you can't just go with them! 70

DAPHNE
71 Thanks for the refill. 71

Daphne hands Fred her glass as the Orcs FIRE UP their bikes and THUNDER OFF. As they do, one of the bikes ACCIDENTALLY passes a little too close to Shaggy who jumps back in alarm.

SHAGGY
72 YAHHH! 72

Shaggy collides with a giant TIKI HEAD which tips over and starts a massive CHAIN REACTION -- tiki heads fall like dominoes, tiki torches ignite grass tiki huts, etc.

As SCREAMING PATRONS run around trying to avoid the destruction, the Mayor SIGHS and remains seated.

SHERIFF STONE
(chuckling)
73 Hoo-hoo doggy! Twice in one year. 73
Tell me you remembered insurance
this time.

He glances at the Mayor who is now sobbing.

SHERIFF STONE (CONT'D)
74 Or don't. 74

The Mayor buries his head in his hands while Fred stares off in the direction of the departing orcs -- upset. DISSOLVE TO:

EXT. BEACH CAMPSITE - NIGHT

Daphne and Odnarb sit on logs next to a CAMPFIRE. Odnarb STRUMS an ACOUSTIC GUITAR.

ODNARB
(singing, folk style)
75 *Yes listen dear children,* 75
And don't run away,
This monster's a-beggin',
Please hear what I say.
There's love in my heart,
Even though I've got flaws.
Yes listen dear children,
Don't run from my claws.

Daphne SIGHS.

DAPHNE
76 That was so beautiful. 76

ODNARB
77 Thanks. 77

Meanwhile, Velma is holding court with the rest of the orcs who sit at her feet like disciples. Krod is nearby working on his bike with TOOLS.

VELMA
78 But you see, it doesn't matter. You 78
can have a firewall and all the
anti-malware software ever made and
if Shaggy, I mean, if some idiot
clicks on the wrong banner ad,
boom! Your desktop is bot-net
central!

FOOG
(always speaks through
clenched teeth)
79 Ain't that the truth! 79

DREN
(always finishes with a
cackle)
80 That's right! Hee-hee-hee! 80

Krod tries to kickstart his bike, but nothing happens.

KROD
(high-pitched voice)
81 Dang it! 81

VELMA
82 What's wrong? 82

KROD
83 Stupid bike won't start. 83

Velma crosses to the bike and examines it.

VELMA
84 Hmm. You got a torque wrench? 84

Krod hands her one. Velma makes a few precise adjustments, then steps back.

VELMA (CONT'D)
85 Try it now. 85

Krod tries again and this time the bike STARTS UP without a problem. The Orcs are seriously impressed.

ORCS
86 Oooh! 86

VELMA
87 Yup. The timing was off just enough to throw the whole engine misfire. 87

Velma turns away to find Gabtraf staring at her lovingly.

GABTRAF
88 Velma, do you believe in love at first sight? 88

VELMA
89 In your case, no. 89

On Gabtraf's reaction we CUT TO:

EXT. CRYSTAL COVE ARMORY - CONTINUOUS

A SHADOWY ORC FIGURE (we're never quite able to tell who it is) slips over a CHAIN LINK fence with a sign that reads "Crystal Cove Armory". The figure sprints across the armory grounds and flattens himself against the building wall.

The shadowy figure pulls out an ELECTRONIC ALARM DEACTIVATOR and presses some buttons.

Various LIGHTS and LOCKS around the building turn off -- it's all very stealthy until he pulls out a battle-ax and chops a hole through the wall. CUT TO:

INT. CRYSTAL COVE ARMORY - WEAPONS ROOM - MOMENTS LATER

The shadowy figure steps into the room which is filled with ASSORTED WEAPONS. Grabbing a HANDHELD ROCKET LAUNCHER, he sprints back across the grounds. Just then, a GUARD tries to block his path.

GUARD
90 Hold it right there! 90

The shadowy orc SLAMS into the guard, knocking him to the ground. As the shadowy orc scales the fence, a small PIECE OF PAPER falls out of his pocket. He drops down on the other side and THUNDERS off on his bike.

ACT TWO

INT. DAPHNE'S BEDROOM - MORNING

Daphne SNOOZES in her "Princess" themed bedroom. She STIRS before GASPING and sitting up. WIDEN TO REVEAL the Sheriff, Fred, and the rest of the gang at the foot of her bed.

DAPHNE
91 Uh, good morning? 91

SHERIFF STONE
92 That's enough of that sassy smart talk young lady. I've got answers and I want some questions! Wait, flip that. 92

DAPHNE
93 Questions about what? 93

FRED
94 Daphne stop fighting us. We're here to help. 94

DAPHNE
(confused)
95 I'm - not - fighting you. 95

FRED
96 What has that monster done? I don't even know her! 96

DAPHNE
97 Will someone tell me what is going on? 97

SHERIFF STONE
98 There was a break in at the armory last night and a very dangerous weapon was stolen, and we happen to know it was one of your monster biker friends who did it! 98

DAPHNE
99 That's impossible! Velma and I were with them at their campsite on the beach the whole time. 99

VELMA
100 That's what I've been trying to tell him. All of the Wild Brood stayed there the whole night. 100

FRED
(stunned)
101 You...went camping with monsters?! 101

Fred faints. Scooby runs to his side.

SCOOBY
102 Man down! 102

SHERIFF STONE
103 Fine! But I'll be watching you and your tusked terrors from this point on -- ready to pounce like a panther! Grrr-owl! 103 **

The Sheriff leaves. Shaggy looks at Velma.

SHAGGY
104 Like...you went camping with monsters too? 104

VELMA
105 Sure. They even gave me this. 105

Velma holds up a WILD BROOD VEST, puts it on, as well as an OUTLAW BANDANA.

SHAGGY
(gulps)
106 Like -- oh boy. 106

Shaggy faints. Scooby rushes over.

SCOOBY
107 Man down again! 107

Daphne hops out of bed wearing a flowing chiffon nightgown. Begins pacing, thinking hard...

DAPHNE
108 Well, looks like we've got ourselves another mystery to solve! 108

Fred stirs on the ground, coming around.

FRED
109 What?! 109

DAPHNE
110 The Wild Brood are obviously being framed. 110

FRED
111 But the Sheriff has evidence. 111

DAPHNE
112 Which is why we have to see if that evidence is real or fake. It's up to us to prove Odnarb innocent! 112

FRED
113 Or guilty. 113

Daphne looks at him, clearly not happy that Fred is being this stubborn as we CUT TO:

INT. CRYSTAL COVE ARMORY - LATER

The gang pokes around the grounds of the armory. Scooby and Shaggy stop to look at the hole in the building's wall made by the ax.

SHAGGY
114 Like, maybe the guy that did that really hates using doors. 114

Velma, carrying her LAPTOP, joins the group.

VELMA
115 Here's the Sheriff's evidence. Whoever did this deactivated the building's security cameras. 115

She FLIPS OPEN her laptop.

VELMA (CONT'D)
116 Luckily the gas station across the street had a camera running. 116

ANGLE ON the SCREEN. We see GRAINY B&W SECURITY FOOTAGE of the shadowy orc figure running toward the armory. The footage LOOPS several times before Velma freezes it ON THE ORC.

VELMA (CONT'D)
117 There's our man, or should I say "Orc". 117

FRED
(smugly)
118 And that jaunty cap he's wearing looks mighty familiar! 118

Daphne's stunned.

DAPHNE
119 No. It can't be. Odnarb would never do anything like this. Right? 119

VELMA
120 Right. The time on the tape matches when we were on the beach. 120

Velma starts following some FOOTPRINTS.

VELMA (CONT'D)
121 These footprints were made by the same kind of heavy boots that the Wild Brood wear. 121
(stopping)
122 Hello? What's this? 122

Velma kneels down next to one of the foot prints and picks up the PIECE OF PAPER we saw the shadowy orc drop earlier.

SCOOBY
123 A clue? 123

Daphne takes the paper and examines it.

DAPHNE
124 It sure is! It's a napkin from Chen's Internet Cafe and Tea House in China Town. 124

SHAGGY
125 Crystal Cove has a "China Town"? 125

FRED
126 Why would a monster biker with a jaunty cap want to go there? 126

DAPHNE
127 They're not "monster bikers", they're noble brutes. 127

Shaggy leans in to get a closer look at the NAPKIN.

SHAGGY
128 What are all those numbers for? 128

VELMA
129 It looks like the address for a computer. I think it's time we all paid a visit to Chen's. 129

The gang EXITS, unaware that they are being watched by a SHADOWY ORC hiding nearby.

CUT TO:

EXT. CHEN'S INTERNET CAFE - LATER

Situated in Crystal Cove's CHINA TOWN, which consists of, well... just Chen's shop which is shaped like a PAGODA. There is a large JADE DRAGON in the window (which will factor later into episode 618). A sign out in front of the store reads-- "CHINA TOWN".

ZIP PAN BETWEEN the other "towns" -- another sign in front of a WINDMILL reads-- "HOLLAND TOWN". Another sign on the same ** block in front of a house shaped like a PYRAMID reads-- "LITTLE EGYPT".

INT. CHEN'S INTERNET CAFE - CONTINUOUS

Mystery Inc. enter the cafe and find the Wild Brood being served FANCY COFFEE drinks by CHEN himself.

ODNARB
(takes a sip)
130 Chen, you are a grind master. This crazy double-shot espresso kills! 130 **

CHEN
131 (coy) Please, you're making me blush. (then angry) Now finish your drinks and get out! You are scaring my customers away. 131 **

DAPHNE
132 Did you break into the armory and steal a rocket launcher? 132

ODNARB
133 No. 133

DAPHNE
(to Fred)
134 See? I told you. Let's go. 134

FRED
135 Wait -- what?! He just says "no" and you believe him? 135

DAPHNE
136 Yes, his heart is true and pure. 136

Odnarb -- a noble bow.

ODNARB
137 My gratitude is yours, fair Daph. 137 **

FRED
138 Daph?! Listen here, tusky! Only I get to call her Daph! 138

Fred and Odnarb go toe to toe for a moment but stop when all the MONITORS begin to FLASH and BUZZ. A SMILEY EMOTICON appears on all the screens, it's MOUTH MOVING to match Mr. E's words.

MR. E (V.O.)
139 Hello, Mystery, Inc. 139

GANG
140 Mr. E! 140

MR. E (V.O.)
141 Looks like you could use a clue. 141

CLOSE ON THE MONITOR where we see the emoticon disappear and an ANIMATED SWORDFISH dance across the screen.

DAPHNE
142 What in the world is that? 142

KROD
143 A puppy! 143

FRED
144 No, it's some kind of dancing bug, I think. That's it! Dancing bugs are behind all this! 144

SHAGGY
145 Like, even I can tell that it's a fish, Fred. 145

SCOOBY
146 What's a Fish Fred? 146

FRED
147 You're right. It does look like a fish. 147

CLOSE ON VELMA, pondering.

VELMA
(to herself)
148 A sword-fish. Hmm. I wonder. 148

As the others continue to guess, Velma goes over to another monitor in the corner and begins surfing the net.

Meanwhile, Fred, Odnarb, Shaggy, and Daphne continue guessing.

ODNARB
149 Perhaps the fish is trying to send us signals with its dance. 149

DAPHNE
150 Like a code! 150

ODNARB
151 Indeed! 151 **

FRED
152 That doesn't make any sense! 152

GABTRAF
153 Oh, and dancing bugs do? 153

ANGLE ON VELMA at her workstation. She holds the napkin clue in one hand while typing in the numbers written on it with the other. A screen comes up and she enters "swordfish" into a PASSWORD ENTRY BOX.

VELMA
154 Bingo! 154

Velma turns and is about to call the others over when suddenly-- VOOSH! The Shadowy Orc that was spying on them earlier GRABS Velma.

VELMA
155 <mouth covered> AHHH! 155

Yanks her off screen just as Scooby -- with the others -- turns around at the noise. Sees her yanked off...

SCOOBY
156 Velma? 156

Races over. But the moment he gets close-- WHUMPH! He's grabbed by the Shadowy Orc as well. Disappears.

BACK WITH THE GANG, they are still trying to figure out the clue...

SHAGGY
157 Well, the little dude's got a pointy nose, like a sword -- so maybe the clue is "swordnose". 157

They all stop.

EVERYONE
158 That's it! 158

DAPHNE
159 Velma! The clue is "swordnose"! 159

They turn and quickly discover that Velma and Scooby are gone.

DAPHNE (CONT'D)
160 Velma? 160

SHAGGY
161 Scooby? 161

FRED
162 They're gone! 162

PUSH IN on the shocked faces of the gang as we...

FADE OUT.

ACT THREE

EXT. CRYSTAL COVE SEA CLIFFS - LATER

Scooby is DANGLING by a rope tied to a tree that leans over the edge of a VERY TALL CLIFF.

Turbulent waves CRASH against the sharp rocks far below. Velma, nearby, has been tied to a chair (note: her arms are tied to the chair's arms, but she can still move her hands).

SCOOBY
163 (whimpering noises) 163

The Shadowy Orc appears. For the first time we can fully see him. He's dressed like Odnarb, but looks different.

SHADOWY ORC
164 Clever, figuring out that "swordfish" clue. Little too clever for my taste. 164

VELMA
165 What do you want with us, shovel lips? 165

SHADOWY ORC
166 Do not mock me. I have eldritch blood. 166

VELMA
167 And sometimes I have a chick moustache. Is there a point to this? 167

SHADOWY ORC
168 Since you're so gifted with computers, you're going to help me reroute a train through Crystal Cove. 168 **

VELMA
169 And if I don't? 169

In answer to this, the Orc walks over and starts cutting through some of the rope suspending Scooby. He falls a few inches.

SCOOBY
170 (very panicked whimpering) 170

VELMA
(quick)
171 Okay. Got it. No more demonstration needed. 171

SHADOWY ORC
172 I can't hack the National Train Database, but from what I saw in the coffee shop...you can! So what will it be? 172 ** **

Velma and Scooby take each other in.

VELMA
173 Wow. Kind of ironic. 173

SCOOBY
174 Yeah, ironic. (beat) What does ironic mean? 174

VELMA
175 It means here's the chance I've been waiting for to get Shaggy back... 175

Scooby looks at her with pleading eyes --

VELMA (CONT'D)
176 ...and there's no way I'm going to take it. Even though you stole my boyfriend...I'd never let anyone hurt you Scooby Doo. 176

SCOOBY
177 Hee-hee! Never a doubt Velma. 177
(beat, then sotto)
178 Phew, thought I was a goner. 178

SHADOWY ORC
179 You lost your boyfriend to a dog? 179

VELMA
180 Just give me the laptop, toad skin! 180

The Shadowy Orc places the laptop in front of her. Velma starts typing. A beat later --

VELMA
181 All done. Now let us go! 181

SHADOWY ORC
182 Of course! See ya! 182

With that, the orc grabs Velma and tosses her at Scooby. Even though she's still tied to the chair, she manages to grab Scooby and hang on. Their combined weight is too much for the tree branch though and it SNAPS. Velma and Scooby drop OS with a SCREAM. The orc laughs and rides off.

We track slowly over the side of the cliff and reveal Scooby and Velma dangling from ANOTHER TREE growing out of the cliff face. The tree BENDS and TREMBLES like a catapult arm.

VELMA
183 Phew! That was close! 183

Suddenly the tree SNAPS back and ROCKETS them skyward. They SHOOT up and land at the top of the cliff with a THUD.

SCOOBY
(whimpering)
184 Can we go home now? 184

CUT TO:

INT. CRYSTAL COVE JAIL - LATER

Fred, Daphne, and Shaggy watch as the Sheriff SLAMS THE JAIL CELL DOOR shut. Scooby and Velma rush in.

DAPHNE
185 Velma! 185

SHAGGY
186 Scooby! 186

FRED
187 Where were you guys?! 187

VELMA
188 Interesting story -- 188
(noticing the orcs)
189 What are they doing in there? 189

SHERIFF STONE
190 Conspicuous consumption of Euro- 190
style coffee drinks!
(sotto to Velma)
191 We thought they'd kidnapped you -- 191
best I could come up with.

VELMA
192 It wasn't them. It was another 192
monster biker.

SHERIFF STONE
193 Aw, come on! Another one?! 193

ODNARB
194 But we're all here. 194

GABTRAF
195 Wait, where's Krod's friend? 195

KROD
196 You mean Dren's friend? 196

DREN
197 Are you talking about the guy that's always following Foog around? <cackles> Hee-hee-hee! 197

FOOG
198 He doesn't follow me, I walk in front of him. 198

ODNARB
199 Listen up, cats and chicks, for it appears we have an infiltrator. 199 **

VELMA
200 And he made me route a train through Crystal Cove! 200

ODNARB
201 Why? 201

VELMA
202 I don't know, but it has something to do with Mr. E's clue -- 202

SHAGGY
203 Like, you mean "swordnose"? 203

VELMA
204 No. Sword "fish". 204

FRED/DAPHNE/SHAGGY
205 Oh. / Yeah. / Like, dude that makes more sense. 205

Suddenly, Daphne notices on odd, worried look on the faces of The Wild Brood.

DAPHNE
206 What is it, Odnarb? 206

ODNARB
207 "Swordfish" is a super secret, new video game platform. It's being shipped on a guarded train for a big unveiling ceremony. 207

FRED
208 How do you know that? 208

ODNARB
209 Because we're the video game programmers who designed it. 209

Odnarb and the others reach up and pull off their ORC MASKS, revealing that they're GEEKY-LOOKING guys -- TWO WHITE NERDS, an ASIAN NERD, an INDIAN NERD, and a BLACK NERD.

SHERIFF STONE
(recoiling)
210 They're so... so... geeky! 210 **

Daphne, astonished, moves closer to Odnarb.

DAPHNE
211 I don't understand. Why dress up like monsters? 211

ASIAN NERD (GABTRAF)
212 We do it to blow off steam. 212

BLACK NERD (FOOG) **
213 Our job can be very stressful. 213 **

WHITE NERD (DREN) **
214 So we tend to bury ourselves in alternate personas. 214 ** **

INDIAN NERD (KROD) **
215 We also like the way chain mail and cured animal hide feels against our skin. 215 ** ** **

Odnarb -- now revealed to be a tall pimply nerd -- looks down sadly at Daphne. **

ODNARB
216 Sometimes, when you're a geek, and it's all people see...it's better to wear a mask. 216

Odnarb and the other orcs put their masks back on.

SHERIFF STONE
217 Phew! Thank-you. 217

For a moment, Daphne and Odnarb stare at each other, then the silence is broken by Fred.

FRED
218 Wait, so you're not really noble monsters...you're just ordinary video-game nerds? Awesome! 218
(off Daphne's annoyed look)
(MORE)

FRED (cont'd)
219 I mean...Hey gang, we've got a train to catch! 219

SMASH CUT TO:

EXT. RAILWAY ACCESS ROAD - MOMENTS LATER

The Mystery Machine and the bikers race alongside the tracks.

INT. MYSTERY MACHINE - CONTINUOUS

Fred drives. Rest of the gang and the Sheriff are also inside. They are followed closely by the bikers.

FRED
220 There it is! 220

ANGLE ON THE TRAIN as it CHUGS along.

ANGLE ON the orcs as they hop off onto the CABOOSE. Fred FLOORS it. The van ZOOMS up a rise and becomes AIRBORNE.

ALL
221 <SCARED SCREAMS> 221

The van drops with a THUD onto a FLATCAR and SKIDS to a stop. They pile out of the van and are joined by the Wild Brood.

ODNARB
222 Crazy driving there, Frederick. 222 **

FRED
223 Thanks, and it's Fred! 223

DAPHNE
224 Look! There he is! 224

They see the shadowy orc standing on the top of the ENGINE. Fred and Odnarb throw competitive glances at each other.

ODNARB
225 Let's get him! 225

FRED
226 Hey! I was going to say that! 226

Everyone runs forward into the next car, which happens to house the SWORDFISH GAME PLATFORM. TWO GUARDS lay on the floor.

VELMA
227 He must have knocked them out. 227

ANGLE ON Shaggy and Scooby, mesmerized by the SOLID GOLD gaming unit on a PEDESTAL surrounded by LASER SECURITY BEAMS.

SHAGGY AND SCOOBY
(reaching for it)
228 Oooh! Shiny. 228

ODNARB
229 I wouldn't do that if I were you. 229

Odnarb points up into the corner. We see a nasty-looking ROBOTIC LASER GUN poised to shoot. Scooby GULPS.

SHAGGY
230 Good tip. 230

They rush out of that car and through several others, BURSTING onto the ENGINE deck. The Shadowy Orc is standing just above them. Still competing, Fred and Odnarb crouch down to leap. Just as they jump, the Shadowy Orc hoists the ROCKET LAUNCHER onto his shoulder and FIRES. A rocket SCREAMS out of the launcher tube and after a brief moment SLAMS into a RAIL BRIDGE a mile or so ahead.

SHERIFF STONE
231 Nice shot! 231
(realizes)
232 I mean -- stop that right now! 232

Fred and Odnarb tackle the Shadowy Orc. Wrestle him to the floor. Grab some nearby rope, binding his hands.

VELMA
233 Where's the engineer? 233

ANGLE ON Daphne, next to the unconscious TRAIN ENGINEER.

DAPHNE
234 He's not going to be much help. 234

Velma quickly scans the engine cab, her eyes settling on a LARGE LEVER next to Foog.

VELMA
235 The brake! Foog, pull that lever! 235

Foog pulls the lever too hard, SNAPPING it clean off.

FOOG
236 Oops. 236

Fred steps forward.

FRED
237 Everybody out. I'll separate this engine from the rest of the train. 237

DAPHNE
238 How? 238

FRED
239 You let me worry about that, Daph. 239

Everyone clears out and Fred slams the door, behind them.

DAPHNE
240 Freddy! 240

Fred takes a few steps back and we now see that he's holding the ROCKET LAUNCHER. He points it down at the CAR COUPLING, closes his eyes, and PULLS THE TRIGGER. Instead of blowing everything to pieces, all we hear is a CLICK, followed by several more CLICKS. The rocket launcher is empty.

FRED
241 Darn it! 241

Odnarb rolls his eyes and SLAMS open the door. With Foog beside him (and the rest of the Wild Brood holding on to the shadowy orc) they TUG and BANG on the coupling until it SNAPS apart. The rest of the train quickly SLOWS TO A STOP while the engine barrels forward through the WRECKED BRIDGE and down into the RAVINE where it EXPLODES.

VELMA
242 That was close! 242

DAPHNE
243 Okay. Let's see who was trying to give the Wild Brood a bad name. 243

Krod pulls the ORC MASK off the shadowy orc revealing another dorky-looking normal guy.

GANG
244 Another geek! 244

WILD BROOD
245 Maxwell! 245

SHAGGY
246 Like who's Maxwell? 246

ODNARB
(shocked)
247 He works in the copy room at our gaming company. Maxwell, why? 247

MAXWELL
248 Why? I'll tell you why! 248

BEGIN FLASHBACK SEQUENCE

We see all the gaming geeks at their messy and ACTION FIGURE infested work space. The geeks are clustered around a MONITOR, beta testing a new game. Maxwell appears in the doorway holding a STACK OF COPIES. He smiles.

MAXWELL (V.O.)
249 You all thought you were sooooo cool! You never let me join in the beta testing of any of your new video games! No, I was just the lowly copy boy! 249

The Geeks LAUGH and KICK THE DOOR SHUT in Maxwell's face -- he fumes and rips the copies in half.

MAXWELL (V.O. - CONT'D)
250 So I sought my revenge! 250

We see Maxwell sitting in his apartment, constructing his own WILD BROOD COSTUME. He jams a tusk into the lower jaw of a mask and nods.

MAXWELL (V.O. - CONT'D)
251 I made a Wild Brood costume of my own and just slipped into your midst. 251

As the Wild Brood cruise down a road on their choppers, Maxwell cautiously joins them on his own bike. He smiles when the others don't react.

MAXWELL (V.O. - CONT'D)
252 You nerds are so clueless, you didn't even notice! 252

END FLASHBACK SEQUENCE

MAXWELL (CONT'D)
253 From that point on, all I had to do was steal a rocket launcher, grab someone to hack a computer to divert the train, reroute said train, board the train from a moving motorcycle, defeat the train's security system, blow up the bridge the train was on, which would cause the "swordfish" console to be destroyed in a massive train wreck, ruining your careers, and hopefully giving rise to my own in the process. Simple! 253

Everyone stares at Maxwell for a beat.

SHAGGY
254 Dude. Seriously? 254

MAXWELL
(realizing)
255 Overkill huh? Well it might have worked if it wasn't for you meddling kids... right? 255

EVERYONE
256 Uh... no. Don't think so. 256

Maxwell SIGHS and SLUMPS as we CUT TO:

EXT. RAILWAY ACCESS ROAD - LATER

The Sheriff puts the cuffs on Maxwell and slips the orc mask back over his face.

SHERIFF STONE
257 And keep that mask on. You geeks freak me out without them! 257 **

ANGLE ON Mystery Inc. standing off to the side. Fred is looking pretty bummed.

VELMA
258 Don't be so hard on yourself. You tried to do a very brave thing. 258

FRED
259 No, Odnarb was the brave one. He saved us all. 259
(to Daphne)
260 Go ahead and hang with him. 260

Odnarb ENTERS FRAME with the rest of the Wild Brood.

ODNARB

261 Well, we've got to get back to our render farm, but I was thinking -- 261

(to Daphne)

262 Maybe one last ride, little lady? I'll let you hang on to my jacket. It's genuine elf thigh. 262 **

Everyone tenses as they wait for Daphne's reply.

DAPHNE

263 No thanks, Od. You're awesome with all your deep thoughts and poetical nobility and stuff -- but my heart has always been with Freddy. 263

She gives Fred a kiss on the cheek. His eyes pop and he pumps his fist.

FRED

264 Yes! In your face Odnarb or whoever you are! She digs me! She digs me! 264

Fred does a VICTORY DANCE while everyone SIGHS and we:

FADE OUT:

THE END
