COLD OPEN ON:

EXT. CRYSTAL COVE HIGH SOCCER FIELD - DAY

An intense soccer match underway. ETHAN and GARY lead the CRYSTAL COVE URCHINS downfield, racing through REDFARM REDS *** defenders, passing the ball.

GARY
1 Fred missed another match. What'd he get *trapped*? 1

ETHAN
2 Whatevs, this time he missed a game we're gonna WIN! 2

ETHAN hits GARY with a perfect pass. Crowd cheers! Gary's eyes go wide: OPEN NET in front of him, he rears back to kick-

But a THUGGISH RED slides in and PLOWS GARY into the dirt!

ETHAN
3 Hey he can't do that! Red card! 3

REFEREE runs over. Hulking Red player gets up. Looms over the squat little Ref, who's about to blow his whistle.

HULKING RED
4 Somethin' you wanna say? 4

REF
5 Ahmm...er...no? 5

Ref SWALLOWS HIS WHISTLE! Fellow Urchins extract Gary from the earth, as a shouting match breaks out between the teams:

URCHIN CAPTAIN
6 What?! That's a penalty kick! 6

RED CAPTAIN
7 No way, that was a clean steal! 7 ***

ANGLE ON CROWD IN THE STANDS

Bad vibes up here too, tempers running hot.

URCHIN FAN
8 This is bogus! 8

A HOT DOG sails through the air and SMACKS Urchin fan's head! His buddy throws a soda back the other way.

Fists about to fly! But then a FLOWER hits one of the fans. What's this?

ANGLE FROM THE FIELD

An ethereal female figure, APHRODITE SMYTHE, glides past, in Crystal Cove school colors. We don't see her face. Tossing flowers from a basket to fans, Urchins, Reds, everybody.

URCHIN FAN is now nose to nose with a RED FAN. We see his GIRLFRIEND, in full face paint, soaked with soda.

RED FAN
9 Oh you are done, as in cooked, as in shut- 9 ***
off the oven, as in... ***

URCHIN FAN
10 Yeah, I get it! Well what if I just-- 10 ***

A FLOWER lands on his shoulder, distracting him. He glances at it, then continues. But now goofy and smiling.

URCHIN BUDDY
11 --told you I loved you so much! 11

ONFIELD, the Urchin Captain is in the face of the Red Captain.

URCHIN CAPTAIN
(raging)
12 Okay, so maybe what I'm saying is-- 12
(pure joyful love)
13 --who cares? It's just a game! 13

REFS and CAPTAINS laugh boisterously. Is the equipment manager over there dancing?

URCHIN FAN and RED FAN now hugging and singing together.

GARY and ETHAN race up to Aphrodite, filled with love.

GARY ***
14 You're so amazing! I love everything! 14

ETHAN
15 Are tears of joy inappropriate? 15

Aphrodite nods, demurely.

CLOSE ON - APHRODITE...as she turns. We finally see her face as she comes straight at camera: it's HORRIBLE. Pocked, wrinkly chins, withered nose and shriveled eye-sockets!

ACT ONE

EXT. CRYSTAL COVE HIGH SCHOOL - HALLWAY - DAY

The Gang hangs out before class. Velma eyes fellow students suspiciously as they mill about.

VELMA
16 So, did anyone hear about the weird "love fest" at the game last night? 16

Fred looks up from a magazine, sheepish.

FRED
17 I missed it. There was just something mysterious about that old lighthouse on the hill. Turned out to be nothing, but boy was the lighthouse owner mad when I leapt off his ceiling and tackled him as he was getting into bed... 17

Shaggy sighs, cranky with hunger. His stomach GROWLS loudly. Scooby takes notice.

SCOOBY
18 You okay, Shaggy? 18

SHAGGY
19 Like no. I was so worried about this test today that I forgot to eat breakfast! Dude, you wouldn't perchance have some Scooby snacks, wouldja? 19

NEW ANGLE - ON SCOOBY. Just finishing pouring a bag of Scooby snacks into his mouth. Scoob freezes, mouth full:

SCOOBY
20 Er...sure. 20

Hands the empty bag over to Shaggy. He takes it hungrily. Upends the bag into his mouth. A teeny POOF of snack dust comes out, covering his face.

SHAGGY
(sad)
21 Oh boy. 21

DAPHNE glances into Shaggy's classroom. Notices something.

DAPHNE
22 Hey gang, look at this. 22

Daphne, Fred, and Velma peer in, surprised: the class is overflowing with with dewy-eyed, goofily smiling students!

VELMA
23 Okay, weird. The dorky head of the chess club is holding hands with a cheerleader. 23

DAPHNE
24 And the Class President is dancing with the school's weird girl-- HOT DOG WATER. 24

SHAGGY
25 Hot dogs?! Lemme see! 25
(peers in, overjoyed)
26 Woo-hoo, it's my lucky day! 26

FRED
27 Shag, I don't think Hot Dog Water actually has hot dogs. She just smells like hot dog water because when someone doesn't wash after gym, and they wear *** gingham, or wool, like Hot Dog Water does, there's a chemical reaction from the bacteria that can smell like...well, hot dogs. 27

Silence. Gang just stares.

DAPHNE
28 Oh Fred...you're just so special. 28

SHAGGY
29 I'm not woo-hooing about Hot Dog Water. I'm woo-hooing because there's a *substitute teacher*, which means... 29

SHAGGY & SCOOBY
30 No test for Shaggy! 30

They high five, celebrating. CLASS BELL RINGS. Velma, annoyed by their happiness together, takes off with Fred and Daphne. Shaggy skips into class. Scooby doesn't notice, still celebrating. Turns around and finds the hallway deserted. About to panic. Shaggy leans out the doorway:

SHAGGY
31 Scoob, grab a pre-meal snack at the cafeteria. Meet yah after class. 31

INT. SHAGGY'S CLASSROOM - DAY

Shaggy saunters in. The substitute's back is to Shaggy.

SHAGGY
32 Like, hey there, substiteach, sorry I'm late, but...ya-aahhhh! 32

The sub - APHRODITE - turns around. She's hideous.

SHAGGY
33 Ugly! Run away! 33

APHRODITE
34 Shhhh now. Don't be afraid, my precious one. 34

WHOOSH! She blows a handful of flowers in his face.

APHRODITE
35 No one here's going to hurt you, we just want you to share in the love. 35

Shaggy stiffens. Suddenly, Aphrodite's face morphs from hideous to a sort of beautiful, super-hot TRICIA HELFER type, as Shaggy's eyes begin to twirl. He smiles, relaxing...

SHAGGY
36 Dude, what was I thinking? You're beautiful. 36

APHRODITE
37 There. You see? Now take these... 37

Aphrodite hands him a basket of flowers.

APHRODITE
38 ...and spread the love. 38

INT. VELMA'S CLASSROOM - DAY

Velma glances around suspiciously, but none of her fellow classmates seem to be acting too strange. Then she notices a face in the outside window next to her: SHAGGY!

VELMA
(whispering)
39 Shaggy, what's wrong with you? Class has started! Go! Vamoose. 39 ***

But he just stares in at her with love in his eyes. He fogs the glass. Draws a heart in it. Velma sees that the teacher is engrossed at the blackboard, mumbling and writing out a complicated formula. She tiptoes over and opens the window.

VELMA
40 Are we having a low blood sugar moment?! 40

SHAGGY
41 Like who needs blood sugar when I've got you. 41

He thrusts the basket of flowers under her nose. She sniffs. Expression changes. She stares back at Shaggy with twirly love in her eyes.

VELMA
42 That's the most romantic thing I've ever heard... 42

Love background music swells. He takes her hand, and they waltz out of the classroom. We see other students starting to fall into "the love" as they dance past.

EXT. CRYSTAL COVE HIGH COMMONS - DAY

FRED walks with DAPHNE after school. He's amped up. Shows her a spread in his "Traps Illustrated" magazine.

FRED
43 Take a look, Daph! I'm working on this one right now - it's a net-drop with cinch-action hem. 43

Someone SLAMS into them, knocking them to the ground like bowling pins. They trade a glance of surprise when they see who it is....

FRED
44 Is that-- Velma and Shaggy!? 44

Sure enough, it IS. They turn and come back.

DAPHNE
45 Velma? What's wrong with you guys?! 45

VELMA
46 Wrong? What could possibly be wrong? 46

VELMA holds up the basket of flowers. BLOWS a bunch of them at Fred and Daphne.

CLOSE ON FRED AND DAPHNE. Their eyes are now little twirly orbs of joy too.

INT. CRYSTAL COVE HIGH SCHOOL - HALLWAY - DAY

Scooby whistles merrily outside Shaggy's class. CLASS BELL RINGS. The door opens and students pour out. They surround Scooby, patting and hugging - he giggles and squirms.

SCOOBY
47 Stop it guys! Heehee! It tickles! 47

Wow. Everyone seems in a really good mood. Scooby cruises in to the classroom, looking for Shaggy...

Comes face to face with the hideous APHRODITE!

SCOOBY
48 YAHHH! Shh-shh-shhh Shhhhhaggy?! 48

APHRODITE
49 Quiet now, sweet pup, all you need is the love. 49

Aphrodite drizzles flowers on his head. Smiles at him, expecting him to be mesmerized by the love. But Scooby stares back at her, still horrified. Smiles slightly.

APHRODITE realizes that he's not affected. Freaks out.

APHRODITE
50 It... It's not working! GET HIM! 50

Scooby GASPS. Spins to run, but the HAPPY STUDENTS are right there. Big dumb smiles on their faces...

STUDENTS
51 Bad doggy. Heel. 51

SCOOBY
52 Forget that! YAAAHHHH! 52

EXT. CRYSTAL COVE HIGH FRONT STEPS - DAY

Scooby races out of school.

SCOOBY
53 Shaggggyyyyyy! Shaggy help! 53

Eyes frantically dart around. Find SHAGGY, VELMA, FRED, AND DAPHNE skipping down the front steps of the school, like Wizard of Oz. Overjoyed, Scooby runs to them-- and they RUN RIGHT OVER HIM, and keep going! Worse-- here comes APHRODITE and her legion.

APHRODITE
54 Bring him to the love, my puppets! 54

Scooby runs for his life.

EXT. MAIN STREET - CRYSTAL COVE - SUNSET

Scooby scampers past City Hall. Mayhem. Cars parked askew, abandoned. A BANKER skips past with a GROCERY CLERK waving flowers. Scooby jumps out of the way as a TOUR TRAM motors crazily past. ANGIE DINKLY on the microphone...

ANGIE DINKLY
55 Ladies and Gentlemen, it's the most mystifying, spookalating thing ever to happen to Crystal Cove. And look, it's everywhere -- THE LOVE! 55

She and her love-drunk TOURISTS toss bunches of flowers out all the way down the street. World gone mad.

Scooby tries to find a safe spot. Hears a familiar HONK.

The MYSTERY MACHINE coming his way! Scooby runs into the street. Waves them to stop. But there's something wrong: APHRODITE is hanging out the window - and now she's spotted Scooby!

APHRODITE
56 Run down that mangy mongrel, run him down with the LOVE! Now! 56

GANG
(as one)
57 Yes, Miss Aphrodite. 57

FRED, at the wheel, hits the gas, proud and happy to be able to spread the joy! Scooby tumbles out of the way in the nick of time. He spots an alley, darts toward it.

EXT. CRYSTAL COVE ALLEY - NIGHT

Scooby dashes into the alley and ducks down. Peers back out when a shadow grows over him! Spins around--

FRIGHTENING VOICE
58 Say goodbye, Scooby Doo... 58

PUSH IN -- On Scooby's terrified face as we...

FADE OUT:

ACT TWO

EXT. THE SAME ALLEY - NIGHT

The shadow is...PROFESSOR PERICLES! The diminutive criminal parrot genius ambles past a knocked-over street lamp. Scooby takes him in, shocked...

SCOOBY
59 Pro...professor Pericles? 59

PROFESSOR PERICLES
60 Yes, my clover-toed comrade, pleasure to see you again. Sorry it had to be under such dire circumstances. Fortunately, for Crystal Cove, I'm here to help. 60

SCOOBY
61 <shocked look> You are? 61

PROFESSOR PERICLES
62 Oh, I know what you're thinking: why would I ever deign to help those with thumbs who locked me up like a common beast despite the power of my diabolical mind? 62

SCOOBY
63 Not *exactly* what I was thinking, but... 63

PROFESSOR PERICLES
64 As much as I enjoy seeing my captors tormented, I will not let my home be destroyed by some tarted-up hippie! The only question that remains, is... Will you help me? 64

Scooby looks at Pericles, not sure how to respond, as we...

EXT. CITY HALL - DAY

Chaos reigns in Crystal Cove. A BULLDOZER, piloted by RUSTY GNALES, hops the curb and slams to a halt. Piles of flowers fly out of the dozer blade. HAPPY CITIZENS grab them by the arm-full. SHERIFF STONE and the MAYOR dance past.

IN FRUITMEIER' DESSERT SHOP

People bathe in vats of Fruitmeier's frozen confection like hot tubs, wearing headbands made of flowers.

OUTSIDE THE CLAM CABIN

We find SHAGGY adoring VELMA at a table. Velma finishes showing Shaggy an exciting point of long division.

VELMA
65 Decimal point here, remainder there. A thing of beauty. 65

SHAGGY
66 Like I don't know what that means, but I love when you say it. 66

He feeds her a bite of his clam delicacy. Grease drips down Velma's chin. She swoons with delight.

VELMA
(mouth full)
67 Wha...s...is? 67

SHAGGY
68 Clamonte Cristo. Deep fried clam and cheese French toast coated with powdered sugar and bacon grease... 68

VELMA
69 Jinkies... I think I just felt an artery harden. 69

SHAGGY
70 That's okay. You've got more. 70

They sigh, gazing at each other. Can life get any better?

EXT. FRED'S HOUSE - DAY

FRED and DAPHNE sit suspended in an elaborate netting. It's the same trap we saw in his magazine. As Fred sings an acoustic version of TRAP OF LOVE (from Ep. 607) they're carried from the back door like ten feet out into the yard.

FRED
(singing, not too bad:)
71 *Can't wait for you and me* 71
It's time I break free, from your--
Trap of love!

Daphne leans toward Fred, singing the response:

DAPHNE
72 *Snared by desire!* 72

FRED
73 *Trap of lo--* 73

And they fall through the bottom of the net. End up on the grass, giggling.

FRED
74 I gotta work on that trap. 74
(a beat)
75 Later. 75

DAPHNE
76 Oh Fred, you chose me over a trap. 76
<sniffles> I'm going to cry.

EXT. CRYSTAL COVE HIGH - GARDENING SHACK - DAY

School is deserted. Outside the shack, Scooby is outfitted with what looks like a cross between a multi-pocketed fisherman's vest and an elaborate saddle-bag.

PROFESSOR PERICLES
77 Are you ready, innocent canine comrade? 77
(off Scooby's nod)
78 Then let's save ourselves a town. 78

SCOOBY
79 Scooby Doo! 79

MONTAGE a la Indiana Jones meets Young Frankenstein...

PROFESSOR PERICLES (V.O.)
80 The antidote to stop Aphrodite has 80
several distinct components.

INT. CRYSTAL COVE ABANDONED CATHEDRAL - DAY

Scooby and Pericles chisel grout out of a stained-glass window. Scooby sneezes, coating Pericles in ancient dust.

PROFESSOR PERICLES (V.O.)
81 Pewter. Found in grout used only in 81
stained glass windows of the 18th
Century...

INT. CRYSTAL COVE MUSEUM OF HAUNTED HISTORY - DAY

Pericles lowers a test-tube into Scooby's side pouch. DOZENS are already in there, along with BEAKERS and TUBING.

PROFESSOR PERICLES (V.O.)
82 Ectoplasm. Or as it's more commonly 82
known - "ghost mucus". ***

EXT. GNALES CONSTRUCTION YARD - DAY

It's abandoned. SCOOBY, in a hard hat, flips a rock into the air. Catches it in one of his few remaining empty pockets.

PROFESSOR PERICLES (V.O.)
83 And finally, rose quartz, mined in the caves beneath Crystal Cove... 83

PERICLES, also in a hard hat, WHISTLES for Scooby. Scooby trots over to where Pericles is perched atop a row of STEEL CYLINDERS with atomizers. Pericles flies down, perching on Scooby's back as they exit.

END MONTAGE

INT. SCHOOL SCIENCE LAB - NIGHT

Pericles finishes a mathematical formula on the blackboard, chalk clenched in his talon. Satisfied, he flits over and perches on the shoulder of his trusty assistant:

SCOOBY, with goggles on, stirs a cauldron of stinky liquid. Pericles holds up a cylinder. Scooby slowly pours the goo into it. It makes a gloorp-gloorp-gloorp sound.

PROFESSOR PERICLES
84 That's the final atomizer. We don't have much time. Let's pack these up quickly. 84

Pericles flaps across the room. Begins packing cylinders into a bag. Scooby, meanwhile, starts cleaning up the beakers, when... WHOOSH! Something brushes by behind him.

SCOOBY
85 Per-per-pericles, is that y-y-you? 85

Scooby turns-- YAAAAHHH! The hideous face of APHRODITE is right there.

APHRODITE
86 Fools! You think you can stop me? I will have my crown! 86

SCOOBY & PERICLES
87 Crown?! 87

APHRODITE
88 Get them! Seize the cylinders! 88

HAPPY-FACED MINIONS pour into the room. Descending on the cylinders.

Like ants in a hive, they start carrying them out hand over hand in a human chain. As Pericles flies above them, he screams...

PROFESSOR PERICLES
89 Quick, my furry friend! Save the last one! 89

Scooby bounds over and grabs the final cylinder just before greedy hands can get it. He leaps up onto the lab table with it. Dances, avoiding grabbing hands.

SCOOBY
90 Oof! Ahh! Pardon me! 'Scuse me! 90

Meanwhile, Pericles flies straight into Aphrodite's face, WHAPPING her face with his wings.

APHRODITE
91 Ahhhhhh!! 91

PROFESSOR PERICLES
92 Now, Scooby Doo! Run! 92

Scooby leaps at Pericles' command. Immediately races along the top of the chain gang and out the door.

EXT. CRYSTAL COVE HIGH - DAY

SCOOBY tumbles out the door, dazed.

PERICLES explodes out behind him in a flapping frenzy. Spots Scooby and joins him, racing away from the crowd.

APHRODITE appears in the doorway, clutching her scratched face. She shrieks after them, fuming:

APHRODITE
93 You're already too late! This town is mine! 93

EXT. CRYSTAL COVE STREETS - SUNSET

Like after a long weekend party. People asleep in the gutter. SHERIFF and MAYOR slow dance, holding each other up.

VELMA, SHAGGY, FRED and DAPHNE stroll down the street, arm in arm. Happier than ever. Fred spots his dad.

FRED
94 Dad! Isn't it wonderful? 94

Mayor Jones sees Fred Jr. Leaves Sheriff Stone dancing by himself and comes over to his boy, beaming. Claps a hand on his shoulder. Seems to be stifling a tear, he's so proud.

MAYOR JONES
95 Oh it is, Fred. And I want you to know that...I couldn't love you more if you were my own son. 95

Two things happen almost simultaneously:

1. FRED and VELMA, the only two within earshot, stare at each other with glassy eyed, yet quizzical smiles.

2. THE GANG is bathed in greenish goo!

WHIP PAN TO FIND:

SCOOBY AND PERICLES hosing them down with the last cylinder!

The gang slowly comes out of the love zombie haze. Velma and Fred still stare at each other with the same quizzical expressions, minus the glassy smiles. She glances down and sees that she's holding hands with Shaggy.

VELMA
96 Awwwkward. 96

SHAGGY
97 Oh. Right. Yeah. Gonna probably need that...hand. Thanks. 97

He takes his hand back, they sheepishly wipe off green goo. Fred also notices he's still holding hands with Daphne.

FRED
98 <sheepish> Hey... you. 98

DAPHNE
99 Hey to you... you. Should we talk about-- 99

FRED
100 <fast> Maybe later. 100

Fred and Daphne release hands. Suddenly, they all notice Professor Pericles.

SHAGGY
101 Like, dudes, is that... 101

GANG (ALL)
102 Professor Pericles? 102

PROFESSOR PERICLES
103 Heeellllloooo there. 103

AT THAT MOMENT-- Mayor Jones and the Sheriff appear. Eyes narrowing suspiciously on the gang...

MAYOR JONES
104 Silver plated seesaws, Fred, you're not in the love anymore? Now I'm going to have to let out an unearthly yowl and destroy you. 104

Mayor points, letting out a hideous screeching ala INVASION OF THE BODY SNATCHERS.

MAYOR JONES
105 SCREEEEEEEE! 105

Happy folk appear. Drawn like ants to sugar. SCOOBY turns on them. Fires the cylinder! Tiny spritz of goo comes out.

SCOOBY
106 Yikes! No more antidote. 106

Creepy smiling Townsfolk start to surround them, led by Mayor and Sheriff. Someone grabs the cylinder. The Gang clusters together, terrified by a rising chant coming from the crowd:

TOWNSFOLK
107 Not in the love...not in the love...not in the love...! 107

And now something even worse: APHRODITE appears. The Gang finally sees how hideous she is. Too late. She howls:

APHRODITE
108 They shall be offered up as a sacrifice to the Goddess of Love! Which is to say...meeeeeeee! 108

The crowd erupts with a CHEER. About to tear them apart--

SCREEE-EEET!! SMOKING TIRES skid! TOWNSFOLK dive for cover.

THE MYSTERY MACHINE slides to a stop. Door flies open.

ANGEL DYNAMITE at the wheel.

ANGEL DYNAMITE
109 What'cha waiting for, an e-vite?! Move it or lose it, peeps! 109

The GANG doesn't need any more encouragement - they rush over and tumble into the van.

APHRODITE
110 No! Nooooo! Get them, you fools! 110

Scooby and Pericles stall the maddened townsfolk, buffeting and flapping at them.

VELMA
111 Angel, you're not infected?! 111

ANGEL DYNAMITE
112 That's right, baby. I was born with no sense of smell. That's why I don't wear deodorant, girl, so you best not be around me after a workout. Unless you wanna dig my funk. Hey look out! 112

TOWNSFOLK come at them, en masse, Scooby and Pericles barely ahead of them. Scooby leaps into Shaggy's arms, followed by Pericles, just as Velma slams the door. Hands pound on the door until Angel guns it and they peel out of there!

INT. MYSTERY MACHINE - MOVING FAST - CONTINUOUS

Shaggy, Fred and Daphne stare out the rear window at the town growing smaller as they race away. Crystal Cove is doomed.

ACT THREE

INT. MYSTERY MACHINE - NIGHT

The Gang sits in the van, on top of a hill overlooking the town, which appears to be smoldering in the red sunset.

FRED
113 We gotta find out who she is, and what she wants. 113

SHAGGY
114 Like maybe she's a Gorgon who rose from the dead and she's gonna turn us into an army of vampire robots-- 114

VELMA
115 Wait a sec. That's the plot from Vincent VanGhoul's "GORGON PARADE." 115

SHAGGY
116 And it was based on a true story! 116

A tiny, mellifluous voice rises from the back of the van:

PROFESSOR PERICLES (O.S.)
117 Far be it for me, a tiny, thumbless avian to hazard a guess, but did anyone else notice her choice of clothing? Particularly, the color. 117

DAPHNE
118 Wait a sec. 118
(considering)
119 They're the Crystal Cove High School colors! 119

FRED
120 Then that's where we'll start. 120

INT. SCHOOL LIBRARY - NIGHT

It's dark and spooky. Flashlights cut through the darkness. Fred and Daphne are looking through old, dusty yearbooks. Velma digs through old newspapers.

FRED
(frustrated)
121 Nothing. There's plenty of Smythes, and a bunch of Aphrodites, but no Aphrodite Smythe. 121

DAPHNE
122 No luck here either. I found some ads from the 60's for an "Afro-Nighty" line of sleepwear, but that's it. 122
(calls out)
123 How're you guys doing? 123

PAN TO: SCOOBY AND SHAGGY under piles of newspaper. Pericles pulls papers off their heads with his talons.

SHAGGY
124 Like, nothing here either. 124

Suddenly, VELMA erupts from the pile, holding a newspaper.

VELMA
125 Hey Gang, I got something. 125

Everyone gathers around Velma as she reads.

VELMA
126 No "Aphrodite," but look. This girl went to school here a long time ago. 126

VELMA (CONT'D)
Her name was *Amanda* Smythe, and she was some sort of chemistry wiz.

DAPHNE
127 It also says she was named homecoming queen-- 127

SCOOBY & PERICLES
128 The crown! 128

SHAGGY
129 Like what crown? 129

PROFESSOR PERICLES
130 Miss repugnant bohemian said something about "having her crown." 130

DAPHNE (READING)
131 It says here the night she came to be crowned turned out to be a trick by some of her classmates. 131

(looks up)
132 She was laughed out of the school, and never seen again. 132

FRED
133 Alright. I think we all know what time it is. 133

Everyone casts flashlights on Fred, expectant. He looks at them, shaking his head...

FRED
134 Time to set a trap? Trap time? Boy, you guys, you'd think you'd know by now. 134

A SERIES OF QUICK CUTS:

INT. CRYSTAL COVE HIGH - FACILITIES ROOM - NIGHT

Velma and Shaggy round up fire extinguishers, sort of tip-toeing around their time "in the love."

VELMA
135 Look, about what happened... 135

SHAGGY
136 Yeah, about that... 136

VELMA
137 We don't have to--- 137

SHAGGY
138 No way-- 138

VELMA
139 In fact, I'd prefer-- 139

SHAGGY
140 Absolutely. My thoughts exactly. 140

INT. THEATER DEPT. COSTUME SHOP - NIGHT

Fred and Daphne gather costumes.

DAPHNE
141 So Fred, we haven't had a chance to talk about...what happened between us. How much do you remember? 141

FRED
142 Whattaya mean? All of it. 142

DAPHNE
143 Really? And how does that make you feel? 143

FRED
144 Like I want to cancel my subscription to Traps Illustrated. 144

Daphne's face falls. But Fred smiles, continuing:

FRED
145 Because next time I build us a trap of love, I want it to work. 145

DAPHNE
(overwhelmed with happiness)
146 Oh Freddy... 146

Daphne sighs. Smiles. How can she not love the big galoot?

CLOSE - A GIANT FUNNEL BUBBLES WITH GREEN GOO

We QUICKLY PULL BACK and we are:

INT. SCHOOL SCIENCE LAB - NIGHT

PROFESSOR PERICLES dabs a feather-tip into the goo and tastes it. He nods over to ANGEL DYNAMITE and SCOOBY. They hoist an industrial drum of it and pour it into the funnel. Hoses and tubes extend out to all the fire extinguishers, manned by SHAGGY and VELMA.

FRED and DAPHNE roll in a costume rack stuffed with strange outfits.

DAPHNE
147 We've got a great look for everyone. 147

SHAGGY
148 Does mine involve wearing a skirt, and lipstick, as usual? 148

DAPHNE
149 No. 149

SHAGGY
150 Awesome! 150

DAPHNE
151 But Scooby's does. 151

SCOOBY
152 Not fair! 152

She holds up an outfit we don't see. Scooby and Pericles trade a dubious glance. Off SCOOBY'S SKEPTICAL EXPRESSION,

SMASH CUT TO:

INT. CITY HALL BALLROOM - NIGHT

APHRODITE is carried on a giant dais by enraptured valets.

A STAGE is filled by a giant shrine to her, made entirely of flower petals, like a Rose Bowl float.

FAWNING MINIONS cluster at the edge of the stage, like they were at a rock show. Hurling more flowers on to the stage. A giant wave of love cheers erupts as:

APHRODITE'S PROCESSION makes its way onstage. Stage-side, MAYOR directs a trio of LADIES holding up an elaborate crown.

MAYOR JONES
153 Looking great, gals. In a moment I will signal you, and you will place this crown on our new Queen of Crystal Cove. 153

SHERIFF sets up a microphone and stand.

IN THE CROWD:

We find FRED and DAPHNE in full-on hippie costumes. Complete with soft guitar cases on their backs. Daphne's adorable. As they meander with goofy love expressions through the crowd, Fred scans the ceiling surreptitiously. Then...

SHAGGY, with monocle and top hat, and VELMA in formal attire, like a rich couple. Nearby, ANGEL DYNAMITE pushes a pram.

Shaggy and Velma lean down and coo at Angel's little darling.

SHAGGY AND VELMA'S P.O.V. - Fire extinguishers stuffed in the pram. Something catches their attention:

SCOOBY's dressed as an old woman, with an elaborate bird hat-- wait a second, it's actually PROFESSOR PERICLES in disguise.

Shaggy strolls past Fred, guitar-bag slung over his shoulder. He gives Shaggy a wink, as he heads around behind the stage.

FRED
154 T-minus keep your eyes peeled. 154 ***

SHAGGY
155 Like will do. Check this one out. 155

His EYE appears gigantic in the monocle.

BACKSTAGE

FRED slips behind the three CROWN LADIES, who wait in the wings. One of them glances back, but there's no one there.

ADJUST to see FRED climbing up a wall ladder.

UP IN THE RAFTERS

Fred opens his guitar case. We see it's filled with trap gear. He begins to rig it up.

FRED
(happily)
156 Okay, let's see...joist-bridge clamp, check...articulating gimble arm, check... 156

ON STAGE

Aphrodite's dais is deposited mid-stage. She steps down, and looks out into the crowd. Feigning shock and total surprise:

APHRODITE
157 All this...for me? <wicked> You shouldn't have...! 157

APHRODITE moves forward like homecoming queen, preparing to be crowned. But even in their state of joyous rapture, MAYOR and SHERIFF can't pass up an open microphone.

MAYOR JONES
158 Before we begin the official ceremonies, I wanted to remind everyone that you'll find one of a kind "stay in the love" tee-shirts, pins, and caps for sale in the lobby-- 158

APHRODITE
(cutting him off)
159 Enough! My crown! 159

The CROWN LADIES shuffle forward. As they raise the crown with great reverence, an expectant hush overtakes the crowd.

With everyone distracted, ANGEL DYNAMITE tosses love extinguishers to SHAGGY, VELMA, SCOOBY and PERICLES.

DAPHNE whips a love extinguisher from her guitar bag.

CLOSE ON APHRODITE'S HIDEOUS FACE licking her chops at the sight of the shimmering, jeweled crown...so close...

APHRODITE
160 After long last, I will have what I deserve. 160

FRED
161 <from the rafters> Now! 161

THE GANG LETS LOOSE on the crowd! Green goo bathes everyone! APHRODITE freaks.

APHRODITE
162 You idiots, stop them! Nooooo! 162

But it's too late. People are starting to come to, out of their love haze. Aphrodite watches in horror as the crown trio DROPS HER CROWN! She screams as it rolls away.

APHRODITE ***
163 My CROWN! Noooooo! 163

IN THE RAFTERS - FRED yanks the control on his trap, and it unfurls, downward, like a weird, cool giant mushroom!

SHLINK -- THE TRAP encloaks Aphrodite!

FRED yanks another control cable and the hem of the trap CINCHES UP TIGHT and yanks her up above the stage! Aphrodite hangs there suspended in the netting, raging:

APHRODITE
164 I am the goddess of love! Bow at the feet of Aphrodite! 164

VELMA
165 I think you mean...*Amanda*. Amanda Smythe...? 165

Velma reaches up, and UNMASKS APHRODITE. Underneath, she's just an unremarkable, plain, dowdy lady.

APHRODITE ROARS in a fury at Velma, unmasked.

APHRODITE
166 Oh you think you're so smart! Do you know how it feels to be humiliated - me, the smartest and most gifted student in the history of Crystal Cove - laughed at by everyone in the school? 166

VELMA
167 Well, actually... 167

APHRODITE
168 You know nothing! 168

FLASHBACK SEQUENCE

FLASH TO-- CRYSTAL COVE HIGH GYMNASIUM - YEARS AGO

We see YOUNG AMANDA, a homely teenager, about to be crowned.

APHRODITE (V.O.)
169 They had promised me the homecoming crown, but instead they pulled a hideous mask over my face. 169

A cackling student yanks the crown away, as another pulls the mask over Amanda's face. (It's the SAME MASK Velma just pulled OFF of her.) AMANDA, horrified, runs out as the student body laughs...

APHRODITE
170 They gave me the face of a monster. Laughed at me. Ridiculed me. I left Crystal Cove that night. 170

APHRODITE (CONT'D)
But I promised that someday I would return - and I would wear that same mask just to PROVE that this stupid town could be made to love even a hideous, grotesque monstrosity.

FLASH TO -- A COMPUTER SCREEN: a complex mathematical formula scrolls out in a chat-room dialogue box titled "LOVE SCENT."

APHRODITE
171 I had always been good at chemistry, so when I stumbled on the formula for an artificial pheromone that could make people lose their minds with love, I knew I would have my revenge. 171

FLASH TO -- Amanda, standing over bubbling beakers, mixing her formula. She smiles wickedly as she dons her mask...

APHRODITE
172 I would reclaim the crown that was rightly mine, then I would destroy this town the way it destroyed me. My plan was genius... 172

BACK TO PRESENT - Sheriff Stone waves up a PAIR OF DEPUTIES. They haul Aphrodite away. She GLARES at Scooby and Pericles.

APHRODITE
173 And I would have succeeded too, if it wasn't for your olfactory challenged sidekicks! 173

Pericles casts a glance at Scooby. Crosses his wings.

PROFESSOR PERICLES
174 I am no one's sidekick. 174

SCOOBY
175 You said it. 175

EXT. MYSTERY MACHINE - NIGHT

As the crowd disperses, the Gang and Angel load into the van.

SHAGGY
176 Well Scoob, like you saved the day! 176

SCOOBY
177 And Pericles too. 177

DAPHNE
178 I guess even a diabolical criminal bird can change his evil and malevolent ways. 178

FRED
179 Hey. Speaking of which. Where is Pericles? 179

They all trade glances.

ANGEL DYNAMITE
180 Looks like the cocky little parakeet's flown the coop. Haaa! Yeah! That's a joke, babies. 180

Suddenly, a DARK FIGURE steps toward them from the deep shadows behind the van.

ED MACHINE ***
181 He's a parrot, actually. Brazilian Budgie crossed with African Grey. 181
They've been bred for centuries by ***
shamans in the deepest Amazon. The ***
smartest bird on the planet. ***

SHAGGY & SCOOBY
(shivering terror)
182 Whhhooo-hoo-hooo are you? 182 ***

ED MACHINE ***
183 I'm am associate of Mr. E. You have no idea what you've just done. 183 ***

He holds something in his hand. He thrusts it toward them. It's a DIGITAL RECORDER. He presses play. PROFESSOR PERICLES's familiar, imperious voice flows out.

PROFESSOR PERICLES (V.O.)
184 Solved the riddle of Aphrodite, and saved the town, have we now? 184

The GANG trade worried glances.

PROFESSOR PERICLES (V.O.)
185 You solved nothing. Aphrodite was merely a distraction. Prepare yourselves for another flashback... 185

FLASHBACK SEQUENCE 2

FLASH TO -- TINY TALONS clackety-clacking on a computer keyboard. We move up to a computer monitor, as a series of emoticons appear in the dialogue box of "CRYSTALCHEMCHAT." Pericles is chatting with screen name "APHRODITE77."

PROFESSOR PERICLES (V.O.)
186 It was I who gave "Aphrodite" the secret formula. As I knew that the scent would only affect humans, I would require an animal to be my "mule" - preferably a strong yet gullible and unquestioning *boob*-- 186

SCOOBY (V.O.)
187 That's me! 187

SHAGGY (V.O.)
188 That's not good, Scoob! 188

SHAGGY (V.O.)
189 Ohh. <growls> Grrrrrr. 189

PROFESSOR PERICLES (V.O.)
190 Once that was accomplished, I could go after the real ingredients I needed to find... 190

FLASH TO -- At the abandoned cathedral, PERICLES studies an old cloth with ancient printing on it. Smiles malevolently, and rolls it up. B/G we see Scooby chiseling away...

PROFESSOR PERICLES (V.O.)
191 First, an ancient Conquistador's ship manifest, showing what they had on board every ship in the fleet... 191

FLASH TO -- At the HAUNTED MUSEUM, PERICLES carefully lowers a SPARKLING DIAMOND DRILL BIT into a TEST TUBE.

PROFESSOR PERICLES (V.O.)
192 Next, the allegedly "haunted," stone-piercing, industrial grade diamond drill bit used by Cletus Darrow to discover gold in the Darrow mines. 192

FLASH TO -- At GNALES CONSTRUCTION YARD, PERICLES flies past with an old leather book in his talons. B/G Scooby flipping rocks. As Pericles clears frame we land on a sign we didn't see at the time: *"Original Site of Crystal Cove Mining, Inc."* ***

PROFESSOR PERICLES
193 And finally, the geological reports from the site of the original Crystal Cove Mining Company... 193 ***

DISSOLVE BACK TO PRESENT - THE GANG is confused. They trade glances, stumped.

SHAGGY

194 Okay, can I just get a teeny little time-out, here? What does that stuff have to do with anything? 194

As if he was there watching them, we hear PERICLES LAUGH...

PROFESSOR PERICLES

195 Why, the curse, of course. 195

(a beat)

196 Oh...you mean, you haven't heard of the curse. That is *rich*. But I'm afraid I have to go. Perhaps your new friend can answer your questions. Looking forward to our next, ghostly encounter, Mystery Incorporated... 196 ***

Recording goes dead.

VELMA

197 What curse is he talking about? 197

After a long moment, Ed Machine speaks. ***

ED MACHINE ***

198 THE CURSE OF THE HAUNTED TREASURE. An ancient fortune left behind by the Conquistadors that first settled this area. Legend has it that it is buried somewhere deep beneath us, and that anyone who comes in contact with it is destroyed. This cursed treasure is likely the very reason Crystal Cove is the most haunted town in the world. The treasure has been lost for centuries, but it now appears that Pericles is on the verge of discovering it. And if he does... it could well mean the end of Crystal Cove as we know it... 198

Everyone reacts, shocked. Scooby gulps in terror, as we:

IRIS OUT.

THE END
