COLD OPEN

TIGHT ON-- Scooby's face...

SCOOBY
1 RUN!

WIDE ON-- Scooby and Shaggy run through the halls of THE CRYSTAL COVE HAUNTED MUSEUM. Right behind them...

THE BLACK KNIGHT GHOST (from EP:1 OF "SCOOBY DO, WHERE ARE YOU?"). He splits the air with his sword--

Scooby and Shaggy burst around the corner. Black Knight right behind them. Fred yells--

FRED
2 NOW!

TWACK-TWACK! Daphne and Velma swing a pair of axes. Cut a PAIR OF ROPES. Ropes trigger PULLEYS, WHEELS, SPINNING FANS, until finally a huge MALLET is released...

Swinging down right into a TANK OF WATER holding a dummy of CAPTAIN CUTLER. WHOOSH! Water blasts out. Shaggy manages to grab a dangling rope, and swing to safety, but Scooby isn't so lucky. Misses his rope...

3 SCOOBY
Shaggy!

SHOOM! Water carries Scooby and the Black Knight away. Disappear. Gang looks around, panicking. Shaggy calls--

SHAGGY
4 Scooby Doo, where are you?

They run. Round the corner. Find Scooby lying in a puddle. Black Knight next to him. Black Knight tries to move, but... SCREE! He's rusted shut. Furious.

BLACK KNIGHT
5 No. NOOOO! Let me gooooo!

VELMA
6 Good work, Scooby Doo. Now, let's see who you are...

Velma reaches up. Unmasks the Black Knight. Gasp--

GANG
7 Mr. Wickles the museum's curator?

AT THAT MOMENT-- SLAM! Front door to the museum bursts open. Mayor and Sheriff rush in. Annoyed as usual.

SHERIFF
8 All right, everybody freeze-- WHAA!

SLIPS on the water. SMACK! Face plants.

MAYOR
9 What have you kids done now?

DAPHNE
10 We just stopped Mr. Wickles from replacing the museum's prized original paintings with phony forgeries by unmasking him as the BLACK KNIGHT GHOST.

MAYOR
11 Tourists loved the BLACK KNIGHT GHOST. Now people have no reason to go to the museum!

Mayor scowls, crossing his arms in disgust. Sheriff, back on his feet, scoops up Mr. Wickles.

SHERIFF
12 All right, you, lets... WHAA!

Sheriff falls again with Wickles. Mayor groans.

MAYOR
13 Foraging frog fairies, Fred, why can't you just leave well enough alone.
(starts to exit, then turns back, pulling out a letter)
14 Oh, a letter came to the house for your little club. If this is another bill from one of those 1-800-TRAPS sites--

FRED
15 Come on, Dad, I only called that site once for research purposes.

Fred takes the letter. Opens it. Astonished GASP--

SHAGGY
16 Like, what is it, Fred?

FRED
17 We've been invited to the MYSTERY SOLVERS CLUB STATE FINALS. Every teen mystery solving group from around the country will be there.

MAYOR
18 You mean there's more of you? Great.

Shakes his head, exiting.

FRED
19 It's being held right here in Crystal Cove. Whoever wins, will be declared best mystery solving team and go on to compete in the Olympics.

DAPHNE
20 Olympics..? I don't think that's right.

FRED
21 Well, I'm sure the prize will be *something* big and Greek. I need to start researching new trap configurations. Where's that 1-800 number--?

SHAGGY **
22 Don't worry, Fred. With us by your side, what could go wrong?

SCOOBY **
22B ATCHOO--! ATCHOO--! ATCHOOOOO! **

Everyone turns and looks at Scooby. He is dripping wet. Sneezes again. Looks at them with concern--

SCOOBY
23 Uh-oh.

CUT TO:

ACT ONE

INT. SHAGGY'S BEDROOM - DAY

Scooby lies in the bed with a thermometer in his mouth, and an ice pack on his head. The gang hovers around.

SHAGGY
24 Like, how yah feelin', pal?

SCOOBY
25 Never better. AT-CHOO! HACK-HACK! COUGH! SNIFFLE! GASP! WHEEZE!

ON THE GANG-- Grim. Except for Fred.

FRED
26 Great! I was worried there for a second.

DAPHNE
27 Fred! Can't you see how sick he is? We can't go to the finals with Scooby like this.

FRED
28 Oh. Right. No. Of course not. Will you excuse me for a second.

Fred walks in to the bathroom. Beat later we hear--

29 FRED (O.S.)
NOOOOO! <sobbing> WHYYYY!??? **

SHAGGY
34 Don't worry, Scoob, I got just what you need.

Shaggy reaches OFF SCREEN. Comes back holding a large pot with a lid. Takes off the lid, revealing SEVERAL CHICKENS splashing in some water. SQUACK!

SHAGGY
35 Chicken soup!

Scooby smiles. Takes a sniff--

SCOOBY
36 AT-CHOO!

Huge sneeze. Chickens go flying, soup splashing over Shaggy, Velma, and Daphne. Scooby looks sheepish--

SCOOBY
37A Sorry. Maybe <sniffle> you guys should go without me. AT-CHOO!

VELMA
31 No. You're part of the team, Scooby. What good are we without our sidekick.

SCOOBY
32 Sidekick?

DAPHNE
33A <scolding> Velma... What she means is--

SCOOBY
34A I know what she means.

Scooby lies back in the bed. Pulls the covers up under his chin. Gang looks at each other...

SHAGGY
37B Like, come on, gang. Let's let him get some sleep.

Scooby, tired, rolls overs as they leave the room. Eyes start to flutter as he falls asleep, muttering to himself...

SCOOBY
37C Sidekick. Is that all I'm am?

PUSH IN-- on his worried eyes slowly closing.

DISSOLVE TO:

THE NEXT MORNING

(design note: from this point forward until noted, the show is going to be done in classic HANNA-BARBARA style)

Scooby's eyes flicker open as we PULL OUT. Immediately--

38 SCOOBY
AH... AH...
(nothing happens)
39 Hey, I didn't sneeze.

Grabs for the thermometer. Sticks in his mouth. Beat, then he yanks it out, reading. Shock--

SCOOBY
40 Normal! <realizes> I'm cured!

INT. RODGER'S KITCHEN - CONTINUOUS

Whole gang sits around the table eating heaps of CLAMS with WAFFLES and SYRUP. WHOOSH! Scooby bursts in--

SCOOBY
41 I'M CURED!

SHAGGY
42 What? Like way to go, Scoob!

DAPHNE
43 Must have been that chicken soup.

VELMA
44 I'll say.

FRED
45 Well what are we waiting for, gang--
We've got a MYSTERY SOLVER'S CLUB STATE FINALS to win!

EXT. CRYSTAL COVE HIGH - DAY

Mystery Machine pulls in to the parking lot. It's empty, except for a few cars that include: A VAN with a CAVE on the roof. A BUBBLE TOP underwater vehicle. And, a DUNE BUGGY.

INT. AUDITORIUM - CONTINUOUS

PAN ACROSS THE SCENE-- We see the gang interacting with ** the other MYSTERY SOLVING TEAMS. They are made up of ** characters from the classic HANNA-BARBARA cartoons SPEED BUGGY, JABBERJAW, CAPTAIN CAVEMAN AND THE TEEN ANGELS, and THE FUNKY PHANTOM.

CLOSER ON-- Scooby hanging with SPEEDBUGGY, JABBERJAW, CAPTAIN CAVEMAN, FUNKY PHANTOM, and his cat BOO. It's clear this group is slightly separate from everyone. **

SCOOBY

54A So... are you guys the other-- **

FUNKY PHANTOM **

55A The word you're looking for is sidekicks, ** don'tcha know. I'm the Funky Phantom, ** and this is Boo. **

BOO **

55B <very deep voice> Charmed. **

JABBERJAW

56A I'm Jabberjaw, yuck-yuck! **

CAPTAIN CAVEMAN

57A Unga-bunga, me Capt. Caveman. Me SMASH! **

(slams his club down)

SPEED BUGGY **

59A Put-put-put-put... Speed Buggy. **

Scooby looks at Speed Buggy, perplexed

SCOOBY

60 I'm sorry, but are you a car?

PRINCIPAL QUINLAN (O.S.)

61 Attention everyone, attention! If you could all take your seats.

NEW ANGLE ON-- PRINCIPAL QUINLAN (30ish), a bookish, mousey woman afraid of her own shadow. She is standing behind a podium on a stage. A long BANQUET TABLE has been laid out on the floor at which all the teams sit.

PRINCIPAL QUINLAN

62 I want to welcome you all to the competition. I'll be honest, mystery solving is not really a priority for me -- or anyone else in Crystal Cove -- but the school district made a healthy contribution to put on this event, so Mayor Jones encouraged me to take their money.

FRED

63 Go dad!

(looks at other teams)

64 The Mayor's my dad. You guys might as well give up now.

PRINCIPAL QUINLAN

65 Also, after the dinner, we'll be having a mixer DJ'd by K-GHOUL's Angel Dynamite.

A SPOTLIGHT hits Angel at the side of the stage. She stands in front of a turntable, speaking into a mic--

ANGEL DYNAMITE
66 Word, mystery solvers. Angel Dynamite's gonna be spinning some mad licorice so WATCH OUT! Hyaaa!

Principal looks at her with a shudder--

PRINCIPAL QUINLAN
67 <dry> But before we begin all this joy, I'm sure you'd like to find out what we've all come here for...

A hush falls over the teams. Faces turn toward each other with anticipation. Principal holds up an envelope. Pulls out a letter, reading...

PRINCIPAL QUINLAN
68 Tonight's mystery is...

DEEP VOICE (O.S.)
69 YOUR DOOM!

BOOM! KA-KOW! Smoke and fire explode from the opposite end of the auditorium. Everyone spins around. GASPS--

A horrific SKELETON FACED DEMON has appeared floating in the air. Meet INFERNICUS...

INFERNICUS
70 I am LORD INFERNICUS! And there's been a little change in plans.

WHOOSH! Infernicus belches a WALL OF FIRE. Everyone SCREAMS, diving for cover, as--

KUNG! The lights go out. A beat later KUNG! They come back on. Only something is very wrong...

Everyone is GONE except for the five sidekicks -- SCOOBY, SPEED BUGGY, CAPTAIN CAVEMAN, JABBERJAW and FUNKY PHANTOM -- Principal Quinlan, and Angel.

SIDEKICKS (ALL)
71 Where is everyone? / Shaggy? / Boo? / Unga-bunga! / Put-put-put-put. **

INFERNICUS
72 Your friends are hidden somewhere in this building. All communication with the outside world is cut off. If you try to leave, or call for help, you'll never see them again. You have until sunrise to find them. Good luck. HA-HA-HA-HA!

CHOOM! Infernicus belches more fire. KA-KOOM! Another explosion, and he's gone--

Leaving the sidekicks with terror in their eyes as we...

FADE OUT.

ACT TWO

INT. AUDITORIUM - NIGHT

PICKS UP RIGHT WHERE WE LEFT OFF

Sidekicks are completely freaking out...

SCOOBY
73 Shaggy? Fred? Velma? Daphne? WHERE ARE THEY!?

JABBERJAW
74 My heart is racing! I can't breath! I'm going down! WOOP-WOOP-WOOP!

Jabberjaw begins flopping on the ground like a beached fish.

FUNKY PHANTOM
75 He's hyperventilating, don'tcha know.

CAPTAIN CAVEMAN
76 Me help big fish calm down.

Capt. Caveman raises his club about to clock Jabberjaw.

SCOOBY
77 Noooo! Wait...

Scooby runs over and grabs a HOSE off the wall. He begins SPRAYING Jabberjaw. Jabberjaw stops flailing.

JABBERJAW
78 Thanks. That hit the spot, NUCK-NUCK-NUCK!

ON THE STAGE-- Angel checks her cell phone. Scowls--

ANGEL DYNAMITE
79 Dead! Flame face wasn't lying, something is jamming the phones. Principal Quinlan, is there any other way to get a message out.
(realizes Principal is gone)
80 Principal Quinlan?

Speed Buggy notices something QUIVERING under the banquet table. Throws off the table cloth-- Revealing a cowering Principal Quinlan.

SPEED BUGGY
81 Put-put-put!

PRINCIPAL QUINLAN **
82A Thanks for nothing you dime store go- **
cart. **

ANGEL DYNAMITE **
85 Communications are jammed! We need to
unjam 'em. Gangster up! **

PRINCIPAL QUINLAN
86 Well, there is a COMMUNICATION TOWER over
the gym.

FUNKY PHANTOM
87A Infernicus warned us-- no communication **
with the outside world.

JABBERJAW AND CAVEMAN **
88A Yeah. **

ANGEL DYNAMITE **
(annoyed by their lack of **
support) **
89A Scooby, little help here. **

All eyes turns to Scooby. He's never been in a leadership type role before. Unsure of himself--

SCOOBY
90A Angel's right... we need help. **

ANGEL DYNAMITE
91 Teach, lead the way. Dune buggy, since **
we're in a hurry, how'bout you give us a
ride.

SPEED BUGGY
92 <happy> Put-put-put-put.

Angel and Principal hop in to Speed Buggy.

SCOOBY
93 Wait-- what do we do?

ANGEL DYNAMITE
94 You're a dog, dog. Sniff out some clues.
Ain't that what you Mystery Solvers do?

And with that-- WHOOSH! The trio speed away through double doors in to the hallway. Gone.

SCOOBY
95 Mystery Solvers? Us?

CAPTAIN CAVEMAN **
97 Me find TEEN ANGELS! Captain ** CAAAAAVEMAAAAAAANNNN!!!

ZOOM! Takes off flying, his CLUB powering Capt. Caveman ** straight up-- SMASH! In to the ceiling. Immediately ** plummets into the others. **

SCOOBY/JABBER/PHANTOM
99 YAAAAAAAAHHHHH!

Phantom steps out of the way, just as KA-KOW! Capt. plows in to the them. The trio tumble in to the banquet table, obliterating it. Land in a mass of arms, paws, and fins. Scooby shakes his head, dizzy. But then--

SCOOBY
100 SNIFF-SNIFF-SNIFF! What's that?

One by one, the eyes of the sidekicks falls on a PILE OF WOODSHAVINGS. Scooby leans closer with a bigger SNIFF!

SCOOBY
101 Woodshaving's? A clue!

FUNKY PHANTOM
102 That could be anything. Left overs from some beaver making a nest, or a whittler carving some nesting dolls, even.

Crosses his arms. Looks around. That's when he realizes... He's alone. They've already left.

FUNKY PHANTOM
103 Heavens to Delaware-- don't forget the Funky Phantom!

SHOOM! His ghostly form flies after them.

EXT. GYM ROOF - CONTINUOUS

Speed Buggy, Principal, and Angel roll across the roof.

PRINCIPAL QUINLAN **
106A You know, you're very-- "robust" for a ** woman. Like those female wrestlers on TV, except not so "veiny". I've always been more of the shy type, searching for inspiration. Perhaps if I had a friend to inspire me--

ANGEL DYNAMITE
107 Sorry, Teach, Angel rolls alone. It's a hygiene thing. Hey-- <points> Is that it.

A LARGE RADIO TOWER looms up from the top of the gym.

PRINCIPAL QUINLAN
108 Yes. That's the school's communication tower. My predecessor Principal Scrimm installed it in the hopes of getting free cable. Sadly all that came through was an all Spanish reality show channel devoted to wedding mishaps.

Tentatively, Speed Buggy -- using his tires like hands -- ** begins scaling the tower.

INT. SCHOOL HALLWAY - CONTINUOUS

Scooby sniffs along the ground, rest of the sidekicks ** behind him. Scooby stops at a door. Body goes rigid, ** pointing...

SCOOBY
113 In here.

INT. SCIENCE LAB - CONTINUOUS

Dark and spooky. The foursome attempt to go through the doorway the same time. Of course they get stuck--

SIDEKICKS
114 <various grunts of pain>

Finally-- CA-CHOO! Bust free. Tumble in to the room.

ON FUNKY PHANTOM-- Comes to rest with his face pressed against an ANIMAL CAGE. Stares into it. Shock--

FUNKY PHANTOM
115 Hold on to my horses, the mystery just got hairier, don'tcha know.

Rest of the group come running over. Stop. Gaping. WHEEL AROUND TO REVEAL--

THREE GUINEA PIG dressed like the TEEN ANGELS.

CAPTAIN CAVEMAN
116 Teen angels--?

JABBERJAW
117 Have been turned in to...

SCOOBY
118 Animals.

FUNKY PHANTOM
119 Guinea pigs, even.

The sidekicks begin looking at all the other cages in the room. Every one is filled with guinea pigs dressed like their missing friends.

Jabberjaw loses it. Flops on his back like a beached whale...

JABBERJAW
120 My friends are tiny hairy pigs. Put a hook in mees, it's over! NUCK-NUCK!

SLAM! SLAM! Jabberjaw whaps his huge tail on the ground, crying like a baby. The pounding begins to knock beakers, test tubes, and cages on to the floor.

Scooby, panicking, begins running around catching each cage of guinea pigs before they hit the ground. In the process he comes face to face with the guinea pigs dressed as Mystery Inc. Stares at the one wearing Shaggy's clothes...

SCOOBY
121 Shaggy? Can you hear me? Drop one pellet for "yes" and two for "no".

Guinea pig just stares at him. Scooby puts the cages down, then holds out a piece of food--

SCOOBY
122 Would you do it for a Scooby snack?

The guinea pig takes the snack. Stares at it. Then throws it back, hitting Scooby in the head.

SCOOBY
123 That is not Shaggy. No way. Uh-ah.

FUNKY PHANTOM
124 Whaddaya sayin'? Of course it is. **

CAPTAIN CAVEMAN
125 Teen Angel's no more call me "Cavie"? And wash "Cavie" in scented bath? And pick fleas out of "Cavie" hair? Me not like! Me get primal urge to SMASH!

SMASH-SMASH-SMASH! Capt. Caveman begins pummeling the lab, destroying things.

FUNKY PHANTOM
126 Enough of this, already. Someone needs to take charge of this mystery, don'tcha know...
(glares at Scooby)
127 ...and obviously you're not the "dog" to do it, snap!

SCOOBY
128 <hurt> Yeah, well, who died and put you in charge...
(remembers FP is a ghost)
129 Oh. Sorry.

With that, Funky Phantom grabs the cage holding "his mystery solving gang" taking off for the hallway.

SCOOBY
131 Where are you going?

FUNKY PHANTOM
132A To the library to find a way to change them back, post hasty pudding.

Exits. Scooby races after him, not taking his cage. Jabberjaw and Capt. Caveman look at each other, unsure.

CAPTAIN CAVEMAN
132B Who to follow, dog or foppish ghost?

JABBERJAW
132C How should I know? I'm just a shark from the future, NUCK-NUCK-NUCK!

The two look at each other again, then grab their respective cages containing their transformed teammates, and Scooby's cage, taking off.

INT. HALLWAY - CONTINUOUS

Funky is heading toward the end of the hall with his cage, Scooby several feet behind him.

SCOOBY
133A Don't you think we found them a little easy? And why guinea pigs?

FUNKY PHANTOM
133B Give it up, Scooby Doo. I'm a ghost from the Revolution, your a dog. Hello, little more street cred here.

Jabberjaw and Capt. Caveman appear from the science lab with their cages just as Funky turns the corner. Scooby races after him. Rounds the corner--

SCOOBY
133C Come back! We're missing something--

Stops cold. Why? REVERSE ON... INFERNICUS standing in the hallway facing him. Scooby stammers in horror--

SCOOBY
134A I-I-I-INFERNICUS!

INFERNICUS **
134B Could that something your missing be me? ** And that's Lord Infernicus. Get it ** right, sidekick! **

CRUNCH! CRACK! Two huge SKELETON ARMS burst from Infernicus's body. Talon-like fingers begin scrapping down the walls on either side of the hallway as...

Infernicus BLASTS straight for him. Scooby takes off, ** terrified. Skids around the corner, running right in to ** Jabberjaw, and Capt. Caveman. **

SLAM! The trio topple. Scooby pulls himself up, yelling ** to the other too-- **

SCOOBY **
135A RUUUUUNNNNN! **

That's when Infernicus rounds the corner. Jabberjaw and ** Capt. Caveman don't need to be told twice. **

JABBERJAW AND CAVEMAN **
136A WHAAAAAA! **

Take off right behind Scooby. **

Infernicus tears his claws down the wall right behind ** them... **

INFERNICUS **
137A HAH-HAH-HAH! Where are you going? I ** thought you wanted to save your friends! **

Scooby, Jabberjaw, and Capt. Caveman come to the end of ** the hall. Door in front of them. Scooby tries it. ** LOCKED! The trio spin around. Infernicus is coming ** right for them. **

SCOOBY **
138A We're trapped! **

INFERNICUS **
139A Time is running out, sidekicks. Of ** course you could always... give up! HA- ** HA-HA-HA! **

Infernicus is now only a few feet away. Scooby, ** Jabberjaw, and Capt. Caveman cover their eyes, cower, as-- **

WHOOSH! Infernicus EXPLODES right through them in a ** burst of flame and smoke. When it clears, they're alone. **

CAPTAIN CAVEMAN **
140A Flamy man, gone. **

JABBERJAW **
141A And so is-- WHOOP-WHOOP-WHOOP, the Funky ** Phantom. Whaddoo we do now, Scooby Doo? **

SCOOBY **
142A Only thing we can do... Solve this ** mystery before it's too late. **

On their looks of concern, we... **

FADE OUT. **

ACT THREE **

EXT. GYM ROOF/RADIO TOWER - NIGHT **

As cautiously as he can, Speed Buggy continues his climb up the tower. Tires gripping the tower's side. INSIDE--

Angel grips his wheel. Principal Quinlan is nowhere to be seen.

ANGEL DYNAMITE
143 Teach, get your butt up here. And don't look down.

Speed Buggy comes to a stop. Points with a tire--

SPEED BUGGY
144 Put-put-put!

Angel looks out. Spots a LARGE BOX on the side of the tower. Curious--

ANGEL DYNAMITE
145 Hey now, baby, that shouldn't be there.

Cautiously, Angel leans out. Flips open the box. Series of BLINKING BUTTONS and COLORED WIRES.

PRINCIPAL QUINLAN
146 Wha-what is it?

ANGEL DYNAMITE
147 Scrambler. **

Angel reaches in to her Afro. Pulls out a LARGE HAMMER. Rears back, and SMASH! Sparks fly, scrambler destroyed.

ANGEL DYNAMITE
148 Try your cell phone now, teach.

PRINCIPAL QUINLAN
(pulls out her cell, dials)
149 It's working--

INFERNICUS (O.S.)
150 NOT FOR LONG!

KA-CHOOM! With a billow of fire and smoke, Infernicus appears! Floating above the roof.

INFERNICUS
151 You were warned: NO COMMUNICATION UNTIL THE MYSTERY IS SOLVED! Now you will pay the price!

WHOOSH! Flames explode from his mouth as-- BOOM! BOOM! BALLS OF FIRE spit toward three--

ANGEL DYNAMITE
152 Drop those booties, babies, things are about to get hot!

PHASH-PHASH! Fireballs explode around them. Speed Buggy frantically tries to bat them away with his tires...

SPEED BUGGY
153 Put-put! PUT-PUT-PUT-PUT!

Suddenly-- FWOOSH! His tires burst into flame. The heroic dune buggy looses his grip, and-- **

ANGEL, PRINCIPAL, SPEED BUGGY
155 AHHHHHH! / PUT-PUT-PUT-PUT!

They plummet. CRASH--! through the roof of the gym. Gone. Infernicus cackles evilly--

INFERNICUS
156 AH-HA-HA-HA-HA! AH-HA-HA-HA!

INT. SCHOOL HALLWAY - NIGHT **

Scooby, Capt. Caveman, and Jabberjaw freaking out... **

JABBERJAW
157 This is horrible! My noives can't take anymore! ** (begins doing manic Curly stuff)
158 WHOOP-WHOOP-WHOOP! EYE-EYE-EYE! NUCK-NUCK-NUCK!

Scooby looks at Capt. Caveman, worried--

SCOOBY
159 I think he's broken.

CAPTAIN CAVEMAN
160 Me fix fish.

Capt. Caveman grabs Jabberjaw by the tail, and-- WHAM-WHAM-WHAM! Begins whapping him back and forth on the ground several times. Stops.

CLOSE ON JABBERJAW-- Dizzy. Little imaginary ROWBOATS rowing around his head.

JABBERJAW
161 Tanks. I needed dat.

Suddenly, Scooby spots a PIECE OF PAPER stuck to the door where Infernicus vanished-- **

SCOOBY
162 Look at this. **

Jabberjaw and Capt. Caveman rush over. Everyone stares.

ON THE PAPER-- Picture of a SHIP on the masthead. Typing underneath.

JABBERJAW
164 What's it say? What's it say?

CAPTAIN CAVEMAN
(puts on little reading glasses)
165 Me no be able to read modern ink symbols. Modern ink symbols mock Capt. Caveman. **

SCOOBY
166 I can read. I help Shaggy with his homework sometimes.
(edges closer, reading)
167 It's something about a ship, leaving from the Crystal Cove Docks.

JABBERJAW
168 But that's outside the school, NUCK-NUCK-NUCK, and we can't leave.

Scooby pulls the paper off the wall. Concerned...

SCOOBY
169 We need to find Angel and the others.

CAPTAIN CAVEMAN **
169A Lead the way, Scooby Doo. **

INT. SCHOOL'S INDOOR SWIMMING POOL - CONTINUOUS

PAN DOWN from a HOLE in the roof to find Angel lying face down on the tile surrounding an OLYMPIC SIZED SWIMMING POOL. Soaking wet. Moaning as she tries to lift herself off the ground--

ANGEL DYNAMITE
170 Oh, baby, that must have been some party-- <looking around> Wait-- this ain't no
171 party...
(freezes, spots something)
172 Teach!

SPIN TO REVEAL-- Principal Quinlan lying half-in, half-out of the pool. Angel races over, Quinlan coming around.

PRINCIPAL QUINLAN
173 I'm all right. Thank goodness Speed Buggy was there to help me out. I owe that dune buggy my life...
(looks around, confused)
174 Wait, where is--

Shock. Angel sees her terrified stare. Turns. Gasp!

ANGEL AND PRINCIPAL
175 SPEED BUGGY!

REVERSE ON-- The pool. Speed Buggy is at the bottom. On his back. Not moving.

ANGEL DYNAMITE
176 He's too heavy to lift out of there!

PRINCIPAL QUINLAN
177 There's an EMERGENCY VALVE on the wall.

Angel races to a CIRCULAR VALVE. Spins it counter-clockwise... WHOOSH! Water drains from the pool. Moment its empty, Angel and Principal leap down rushing to his side. It doesn't look good.

ANGEL DYNAMITE
178 He's not breathing!

PRINCIPAL QUINLAN
179 How can you tell!?

Angel leaps on his undercarriage. Starts beating on it. Nothing happens.

PRINCIPAL QUINLAN
180 We're losing him... probably!

ANGEL DYNAMITE
181 No-way, sister, this dune buggy ain't gonna die on Angel Dynamites watch. You know CPR?

Principal races around to the front. Stops. Flustered-- **

PRINCIPAL QUINLAN
183 There's no mouth!

ANGEL DYNAMITE
184 Just blow, woman, BLOW!

Principal gets down, huffing and puffing into Speed Buggy's grill. At first, nothing. Then--

SPEED BUGGY
185 SPUTTER! BRAKKA-BRAKKA-SPUTTER!

Engine rumble starts to build, until-- WHOOSH! Pool water explodes from the tailpipe. Speed Buggy's headlight eyes BURST ALIVE as he roars back to life, flipping over and doing a victory lap around the pool.

SPEED BUGGY
186 PUT-PUT-PUT-PUT-PUT!

PRINCIPAL QUINLAN
187 I did it! I gave him-- LIFE! For the first time I feel so-- ALIVE!
(turns to Angel)
188 We have to drown something so I can bring it back to life again!

ANGEL DYNAMITE
189 No time. Communications are back up. You still got that cell phone, we need to call the Sheriff?

Principal nods. Pulls it out. SPARKS and FIZZLES, water pouring out. But she's a new woman, not to be beaten--

PRINCIPAL QUINLAN
190 <steely> Don't worry, I've confiscated a ton of these over the years. We need to get to my office.

Principal whistles LOUD. Instantly, Speed Buggy races over. She and Angel hop in, the trio roaring off.

INT. SCHOOL HALLWAY - CONTINUOUS

Scooby, Jabberjaw, and Capt. Caveman -- still carrying the guinea pigs dressed as their friends -- roam the hallway CALLING OUT...

SCOOBY
191 Angel? Principal Quinlan?

A RUMBLING fills the hallway. The trio stop--

JABBERJAW
192 Quiet. I hear footprints.

VROOM! Speed Buggy rounds the corner, barreling right for them.

SCOOBY, JABBERJAW, CAPT.

193 YAAAAHHHH!

WHAM! Bodies and guinea pigs go flying. Jabberjaw LANDS in Principal Quinlan's lap. Caveman LANDS in back, the guinea pigs peppering down on top of him. Scooby LANDS in Angel's lap. **

ANGEL DYNAMITE

195 Scooby? Dog, we got the communication tower working.

SCOOBY

196 We found a clue!

Angel reads the paper. Eyes widen.

ANGEL DYNAMITE

197 Teach, how long till we get to your office?

ON CUE-- CRASH! Speed Buggy slams right in to it. Everyone tumbles out. Principal throws open her desk. Pulls a phone out of a pile. Punches numbers--

INT. SHERIFF'S OFFICE - CONTINUOUS

Sheriff sits at his desk tracing his hand on a piece of paper. Holds up the paper, admiring--

SHAGGY

198 Ha-ha, look at that: it does look like a turkey.

(BRIIING!, stands heroically answering)

199 Sheriff Bronson Stone.

SPLIT SCREEN - PRINCIPAL AND SHERIFF

PRINCIPAL QUINLAN

200 Sheriff, this is Principal Quinlan. We've got an emergency at the school. We need you to get down to the docks--

SHERIFF

201 Hold on there: according to my caller ID this is AMANDA MURPHY'S phone--

PRINCIPAL QUINLAN

202 Bronson, it's me!

SHERIFF

203 You kids never quit. And let me guess, you want to know if my refrigerator is running? Well I'm no idiot.

WIDEN TO REVEAL-- The Sheriff has CHAINED his leg to a HANDLE on a LARGE REFRIGERATOR next to his desk.

SHERIFF
204 My refrigerator is right here!
(slams down the phone)
205 That'll teach 'em.

BACK WITH THE PRINCIPAL AND THE OTHERS

Principal Quinlan closes the cell, shaking her head.

PRINCIPAL QUINLAN
206 Looks like we're on our own.

EXT. CRYSTAL COVE DOCKS - NIGHT

Piled in to Speed Buggy, everyone (including the guinea pigs) barrel down to the docks. Heads jerking around. Looking. Then they spot it...

SCOOBY
207 Look!

WHEEL AROUND TO REVEAL-- a CARGO SHIP just pulling out in to the harbor. INFERNICUS at the wheel.

EVERYONE
208 INFERNICUS!

PRINCIPAL QUINLAN
209 He's getting away!

JABBERJAW
210 Don't worry, now we're in my territory, NUCK-NUCK-NUCK!

CAPTAIN CAVEMAN
211 Me help to. Ride shark like pony. Hurt skull man who took teen angels.

Instantly-- SPLASH! They dive in to the water. Jabberjaw races up to the side. Begins slamming into the hull with his body. KUNG-KUNG! UP ON DECK--

Infernicus looks down. Furious--

INFERNICUS
212 Get away from my ship, you pathetic mackerel

CHOOM! CHOOM! Blasts him with FIREBALLS. Jabberjaw dodges, giving the ship room to pull away.

JABBERJAW
213 He's getting away!

CAPTAIN CAVEMAN
214 Not for long-- CAPTAIN CAAAVVEMAAAAN!

Holding out his club like a lance, Capt. Caveman BLASTS off of Jabberjaw, scorching the shark with afterburn--

JABBERJAW
215 My fins on fire, my fins on fire, WOOP-WOOP-WOOP-WOOP!

Jabberjaw rolls on to his back, putting his smoldering fin out with sizzle and a SIGH.

Meanwhile, Capt. Caveman BLASTS through the hull of the ship. In one side, out the other. Infernicus howls--

INFERNICUS
216 NO! NO-NO-NOOOO!

Ship starts to take on water. With now choice, Infernicus wheels the ship back toward land.

CRASH! Ship slams in to CRYSTAL COVE BEACH. But it's not over, because a beat later--

THUNK! A hatch on the back of the ship opens and a TRUCK with several CONTAINERS on back roars out on to the beach, heading for the highway.

EXT. CRYSTAL COVE HIGHWAY - NIGHT

Infernicus speeds along. Smiling. But not for long-- Scooby and the gang appear in Speed Buggy racing up alongside...

ANGEL DYNAMITE
217 Yo, hot head, pull it over, you're done!

SLAM! SLAM! Infernicus starts ramming them. Speed ** Buggy spins away, twirling like a top. Everyone SCREAMS, as he gains control. Begins pulling up alongside the truck again. That's when Scooby notes a rectangular air hole in one of the containers, and sees a face. GASP--

SCOOBY
219 SHAGGY!

IN THE CONTAINER-- Shaggy's head turns. Sees is pal--

SHAGGY
220 SCOOBY DOO! Like, help!

Scooby holds up the guinea pig cage holding the guinea ** pigs dressed like the gang. **

SCOOBY **
220A I was right! These guinea pigs are ** just... **

PRINCIPAL QUINLAN
221A Guinea pigs. Scooby, you're a genius. ** Speed Buggy, pull in front of the truck. <heroic> I've got a plan.

ON THE TRUCK-- Infernicus is roaring forward, when-- ** SPLAT! SPLAT-SPLAT! Guinea pigs begin hitting the ** windshield of the truck (unharmed). They stick in place, blocking Infernicus' view.

INFERNICUS
223 What!? No! Get off!

More guinea pigs hit the windshield. Infernicus turns on the window washers. Tries to get them off. Just makes it worth. Finally, he has no choice--

SCREEECH! Truck skids to a halt. Infernicus immediately jumps out. Scooby and others in front of him. Blocking his escape. Spins to make a run for it the other way...

Jabberjaw and Capt. Caveman are right there. Blocking his path.

JABBERJAW
224 Oh, a wise guy, eh?

Jabberjaw SHAKES HIMSELF like a wet dog drying off. Sprays Infernicus with water, putting his fire out. At the same time, Capt. Caveman unleashes his BIRD from the front of his club. Bird flies forward, immediately tying Infernicus in place.

MEANWHILE, AT THE BACK OF THE TRUCK-- Angel and the Principal KICK the locks off the containers. Fred, Daphne, Shaggy, and Velma, along with all the others, spill out.

FRED
225 Thank's Angel, Principal Quinlan, it was starting to get ripe in there, although it was a really well constructed box.

ANGEL DYNAMITE
226 Don't thank us, baby, thank them.

Everyone turns. Astonished-- Scooby, Jabberjaw, Capt. Caveman, and Speed Buggy stand in front of the bound and struggling Infernicus.

VELMA
227 Look at that, for the first time ever the sidekicks have solved the mystery.

SCOOBY **
228A Now let's see exactly who Lord Infernicus is.

Scooby pulls off Infernicus' mask. Shock-- **

EVERYONE
229 The Funky Phantom!?

FUNKY PHANTOM
230 That's me, don'tcha know.

SCOOBY
231 But why?

FUNKY PHANTOM
232 I was sick of being a sidekick, resentful even. I'm not a real ghost. I'm JONATHAN WELLINGTON MUDDLEMORE-- actor, ** thesbian, dramatist. **

FLASH BACK TO-- the opening shot from the original FUNKY PHANTOM tv show. We see the Funky Phantom and Boo being found in the old clock.

FUNKY PHANTOM (O.S.)
233A I was behind in my rent at the "Y", so a ** friend told me about this clock I could squat in. When they found me and thought I was a ghost, I figured why not. Ghost gig got me three hots and a cot, but I got tired of taking a back seat, don'tcha know.

FLASH TO-- Funky Phantom sitting in an internet cafe trolling the internet...

FUNKY PHANTOM (V.O.)
234 I wanted to be the boss, in charge even, with my own sidekicks. That's when I stumbled upon the MYSTERY SOLVERS STATE FINALS.

FLASH TO-- Funky Phantom dressed in his INFERNICUS COSTUME on a stage.

FUNKY PHANTOM (V.O.)
235 I had work shopped my LORD INFERNICUS character at various comedy clubs and state fairs around the country, and it had always been a hit.

OFF SCREEN CROWD begins HOOTING and BOOING, pelting him with food.

FLASH TO-- INFERNICUS appearing in the school's auditorium amidst a burst of fire...

FUNKY PHANTOM (V.O.)

236A It was simple matter to use mirrors and a video projector to make myself appear and fly. **

CLOSE ON-- Funky Phantom sitting at the banquet table. While everyone is distracted, we see a HAND HELD VIDEO PROJECTOR in his hand, projecting the Infernicus image, and bouncing it off mirrors.

FUNKY PHANTOM (V.O.)

237A A little smoke, fireworks, a skeleton puppet identical to my own bone structure for close-up work, a pre-recorded voice, and the deed was done. I even abducted my own cat Boo, and created the whole ruse with the guinea pigs, sewing each of their tiny costumes by hand, using the actual vintage fabrics of their real life counterparts, just to throw you off track. It was perfect, genius, even. ** ** ** ** ** ** ** ** **

BACK TO PRESENT-- Funky Phantom scowls at the Scooby.

FUNKY PHANTOM

238 Until your ridiculous dog started acting like a hero, instead of a sidekick!

Silence. Then BOO -- the Funky Phantom's cat -- steps from the crowd, angry. Points an accusatory paw--

BOO
(really deep voice)

239 You lied to me? MEEE-YOOWWWLL!

Leaps on Funky Phantom's head, screeching wildly. Funky Phantom howls, falling OFF CAMERA. Meanwhile, Shaggy and the other crowd around Scooby.

SHAGGY

240 Well Scooby Doo, like dude, looks like you and your pals are the heroes of this mystery. Let's hear it for the sidekicks! Hip-hip!

EVERYONE

241 Hooray! Hip-hip! Hooray!

Scooby looks on. Beaming. But suddenly-- his vision gets a little BLURRY. Scooby finds himself stumbling a bit. Unable to stand.

DAPHNE

242 Scooby, are you okay?

FRED

243 He doesn't look so good, gang.

POV SCOOBY-- Blurry faces look at him with worry. Slowly, everything starts to go BLACK...

SCOOBY (O.S.)
244 Shaggy. What's happening? I don't feel so well. SHAAAAAGGGGYYYYY--!

BLACK OUT. Beat. Then CLOSE ON SCOOBY'S EYES popping open as his face jerks into screen...

SCOOBY
245 SHAGGY!

SHAGGY (O.S.)
246 Scooby Doo, calm down. I'm right here. We're all here.

INT. SHAGGY'S BEDROOM - DAY

Scooby is lying in bed. The rest of the gang is crowded around him.

SCOOBY
247 What happened?

DAPHNE
248 You had a fever.

VELMA
249 You've been delirious for days.

SCOOBY
250 Days? But the Mystery Solver Finals?

FRED
251 We blew that off. You know we'd never go without you. Excuse me for a second.

Fred steps into the bathroom. Shuts the door.

FRED (O.S.)
252 WHAAAAA-HAAAAA! I STILL CAN'T BELIEVE IT! WHYYYYY!

SCOOBY
253 But... I was there. And there was a shark, and a caveman, and a dune buggy.

SHAGGY
254 Dude, you mean like these?

Shaggy, Daphne, and Velma hold up toys of a SHARK, a CAVEMAN, and a DUNE BUGGY. Scooby realizes...

SCOOBY

255A It was a dream. I guess I was afraid you'd go without me because you didn't need... your sidekick. **

DAPHNE

256 No way. In fact, they moved the date just so you could go. <whispers> We haven't told Fred yet.

VELMA

257 Yeah. The Chairman himself came to see how you were doing.

Velma opens the bedroom door. THE CHAIRMAN is standing there. Saunters in. He looks exactly like the FUNKY PHANTOM.

CHAIRMAN

258 Hello? How yah doin'? Good to see yah, a pleasure even.

SCOOBY

259A YAHHHHHH! IT'S HIM! FUNKY PHANTOM! ** FUNKY PHANTOM! **

Scooby ducks under the covers. Terrified. Shaking. Chairman, mystified, looks at everyone else in the room--

CHAIRMAN

260 Heaven's to Delaware, was it something I said?

IRIS OUT.
