COLD OPEN

EXT. MACAU SKYLINE -- NIGHT

A glittering cityscape. TITLES tell us it's: "MACAU, CHINA."
DESIGN NOTE: JUST ONE SIMPLE ESTABLISHING SHOT. *

EXT. MACAU - ALLEYWAY -- NIGHT

A dark alleyway. At the end is a PAWN SHOP, neon sign buzzing. *

INT. PAWN SHOP -- NIGHT

Your typical pawn shop but with an Asian flair. Shelves are crowded with STATUES, JEWELRY, ELECTRIC GUITARS, a MOGWAI in a cage. A BELL above the door rings as a girl enters. This is MAI LE, 17, beautiful and stylish. On her finger is a cutesy PANDA BEAR RING. Mai Le wanders through the junk. An EAGER CLERK sets down his issue of "Bikini 'Bots" (featuring robots in bikinis) and hurries over.

EAGER CLERK
(nervously excited)
1 May I help you? 1

MAI LE
2 Do you have any jewelry? You know, like rings and stuff? 2

EAGER CLERK
3 Of course! Right this way! 3

He leads her to the jewelry cases at the back of the store. Mai Le's eyes go wide as she leans over the case.

MAI LE
4 Ooo! Let me see that one! 4

EAGER CLERK
(nervous)
5 I'm not supposed to show that to anyone... 5

MAI LE
(bats her lashes)
6 Not even me. 6

Clerk blushes.

EAGER CLERK
7 Oh, I guess it wouldn't hurt to let you look. 7

He unlocks the case. Lifts the object out. It's a JADE RING featuring a DRAGON eating its own tail. Its eyes are rubies.

MAI LE
8 How much? 8

EAGER CLERK
9 I'm afraid it's not for sale. I'm just holding it for a customer. 9

The phone behind the front counter begins to ring. The Clerk hurries over to answer it. As he does, Mai Le quickly exits.

MAI LE
10 Well, thanks anyway! 10

EAGER CLERK
(on phone)
11 Tsu Chow's Trading Post. Ray speaking. 11

The bell over the door rings again as a MAN IN A CLOAK (design note: This is the character WANG who will be seen later, and is only seen her from behind). * enters. We can't * see his face. His very presence is intimidating. Clerk stares up at him, freaked out.

EAGER CLERK
(on phone)
12 I'm gonna have to call you back. 12

He hangs up. Looks into the shadowy cloaked face of the man.

MAN IN CLOAK (WANG) *
13 I've come for my ring. 13

EAGER CLERK
14 Of course. 14

The Clerk hurries over to the case and retrieves the ring box. He hands it to the Man in the Cloak, who opens it.

MAN IN CLOAK (WANG) *
15 What is this?! 15

Clerk looks inside the box to find...Mai Le's Panda Ring.

EAGER CLERK
16 But...I...I... 16

The Man roars in anger. His entire body glows a ghostly white. The Clerk cowers in the corner.

EAGER CLERK
17 No! Please... 17

LIGHTENING BOLTS fire from the Man's hands as he begins blasting wantonly around the shop. Guitars catch on fire. A MOTORCYCLE in the corner EXPLODES. The Mogwai covers his eyes in fear.

The Man grabs the Clerk by the shirt, one hand raised, fingertips crackling with white energy.

MAN IN CLOAK
18 Where. Is. My. RING?!! 18

EXT. MACAU - ALLEYWAY -- NIGHT

Mai Le hurries away from the pawn shop. She casts a glance at her finger...and the Jade Dragon Ring on it.

CUT TO MAIN TITLES:

ACT ONE

INT. CHEN'S INTERNET CAFE & CHINESE EMPORIUM -- DAY

CLOSE ON a JADE DRAGON STATUE in the front window. PULL OUT to reveal we're not in China but in downtown Crystal Cove's swank, sleek, super-hip internet café. Besides the coffee bar, the cafe features several COMPUTERS and a massive collection of LOOSE TEA. At the counter, we find SHAGGY.

SHAGGY
19 I'll take a double-bacon latte, 19
dry, no whip with a triple pump of
Nacho Cheese. Can you make that?

Behind the counter is CHEN, the wise old owner. *

CHEN
20 Make it? I invented it! 20

Chen points to a menu on the wall. Sure enough, the #3 is a double-bacon latte, dry, no whip, triple nacho cheese.

We move across the room to a TABLE where DAPHNE sits. She's talking to somebody just off camera.

DAPHNE
21 Tonight's the first time my parents 21
will see Fred and me as a couple.
I just want everything to be
perfect. I'm afraid they think
Fred is a weirdo.
(sighs)
22 Thanks for listening. 22

PAN OVER to find SCOOBY, his snout stuck in a glass, trying to lick the last of a coffee drink. He looks up at her, cup still on his snout.

SCOOBY
23 No problem! 23

Daphne spots VELMA entering the cafe.

DAPHNE
24 Velma! Over here. 24

Velma moves aside revealing...Mai Le behind her.

VELMA
(to Mai Le)
25 Those are my friends. 25

As they near the table, Shaggy returns with his latte.

VELMA
26 Watch out for the skinny, frail looking one. 26

Mai Le looks to Shaggy, who is attempting to lick nacho cheese off his nose. Mai Le smiles. Shaggy grins awkwardly.

VELMA
27 Hey, Daphne, Scooby...Shaggy. This is Mai Le. She's here from China on a 2 week student exchange. 27

SHAGGY
28 Like, who'd we exchange for her? 28

VELMA
29 The school's weird girl -- Hot Dog Water. 29

CUT TO:

INT. FAMILY KITCHEN IN MACAU -- NIGHT

The comically weird HOT DOG WATER sits at a table, HER HOST FAMILY IS OFF SCREEN AND NOT SEEN. She gobbles a spoonful of soup from a steaming bowl, then blanches.

HOT DOG WATER
30 Oh boy. There isn't gluten in these noodles, is there? Probably should'a told ya, I have a major gluten intolerance. 30 *
(fart noise)
31 Uh-oh. 31 *

BACK TO:

INT. CHEN'S INTERNET CAFE & CHINESE EMPORIUM -- DAY

Daphne smiles warmly at Mai Le.

DAPHNE
32 Welcome to Crystal Cove, Mai Le. I think you're gonna love it here. 32

SCOOBY
33 Me too! 33

MAI LE
(flirty, to Shaggy)
34 Me too. 34

Shaggy chokes on his latte spitting up a chunk of bacon. Velma raises an eyebrow. Just then, Chen strolls by with a tray of ice cream sandwiches dripping with shredded meat.

VELMA
35 Chen, this is Mai Le. She's visiting from China. 35

CHEN
36 Welcome. Please, try one of my Szechuan Pork Ice Cream Sandwiches, on the house! 36 *

Mai Le Chen reaches to take a sandwich. As she does, Chen notices the Dragon Ring on her finger. He gasps.

CHEN
37 Uh... Excuse me. 37 *

Chen hurries off. Mai Le watches him, confused.

DAPHNE
38 You know, there's a delegate from China visiting Crystal Cove right now. My boyfriend Fred--I love saying "boyfriend"--is showing him around town with his dad. My boyfriend Fred's dad is the mayor. 38 * *
(beat)
39 Boyfriend. 39

Velma, Shaggy and Scooby roll their eyes.

VELMA
40 Daphne's mom and dad are hosting a dinner for him tonight. You should come. 40 *

MAI LE
41 Will there be any cute boys there? 41

DAPHNE
42 Well, Fred, of course. 42

Shaggy clears his throat.

DAPHNE
43 Oh. And...Shaggy? 43

MAI LE
(smiles at Shaggy)
44 Then I'll be there. For sure. 44

Shaggy swallows hard. Velma leans over to Mai Le.

VELMA
45 Sister, you're playing with fire. 45

EXT. CRYSTAL COVE - MAIN STREET -- DAY

TIGHT on Fred's face.

FRED
46 Everyone say Beef and Broccoli! 46

WIDE to reveal that FRED, MAYOR JONES and MR. WANG, the delegate visiting from China, have their faces stuck through * one of those cheesy photo boards that put your face on a painted body. Fred and Mayor Jones are bikini clad girls being chased by Mr. Wang, who is a terrifying ghost. FLASH! A photo is snapped and the three step out. *

MAYOR JONES
47 Mr. Wang, what you guys need is a theme. Something that makes your little country stand out. Something that says, "fun". 47

(re: Main Street)
48 Here in Crystal Cove, our theme is "The World's Most Haunted Tourist Trap"...I mean, "Town". Folks can't get enough of it! 48

MR. WANG
49 Fascinating. There is much we can learn from you. 49

MAYOR JONES
50 Happy to help! Say, have you ever seen a real-live stuffed Skunk Beast? It'll blow your mind! 50

Mayor Jones leads Mr. Wang away, just as Daphne, Scooby and * Velma walk up.

DAPHNE
51 Hey Fred. Ready for the big night? 51

FRED
52 Sure am! I've been polishing up my small talk. Your dad still has a schooner, right? 52

DAPHNE
53 Oh, Fred, it's a sloop. Please don't try to talk yachting again. Daddy already thinks you're a landlubber. You'll only make things worse. 53

SCOOBY
(looking around)
54 Where's Shaggy? 54

VELMA
55 Where's Mai Le? 55

They glance back. Shaggy and Mai Le are walking toward the group...very slowly.

SHAGGY
56 I love your country. 56

MAI LE
57 You've been to China? 57

SHAGGY
58 No, but my stomach has. Scoob and I get Chinese takeout every week. 58

Mai Le laughs. Shaggy does too, surprised by her reaction. As they catch up to the others, Velma yanks Shaggy aside.

VELMA
59 Shaggy. You have to stop flirting with Mai Le. 59

SHAGGY
60 Like, I'm just being polite. 60

VELMA
61 The last time you were that polite to me, I spent a month locked in my bedroom listening to "Now That's What I Call Break-up Songs 16". 61

Mayor Jones returns with Mr. Wang and the Delegation.

MAYOR JONES
62 Mr. Wang, we better get you back to the hotel if you're going to be ready for the shindig tonight. Pardon my French, "shindig" is American for "hootenanny". 62 *

Mr. Wang bows.

MR. WANG
63 We are honored to-- 63

He spots Mai Le's dragon ring. His eyes narrow.

MR. WANG
64 --attend your "shindig". 64
(to Mai Le)
65 That is a lovely ring, Miss... 65

MAI LE
66 Le. Mai Le. 66

He gets right up in her face, creeping her out.

MR. WANG
67 Where did you find such a treasure? 67

MAI LE
68 Just some junk store. 68

Daphne steps in between them, forcing creepy Mr. Wang back.

DAPHNE
69 Dinner is at eight. Dress is formal. 69

SHAGGY
70 Like, I'll wear my top hat and tails! 70

SCOOBY
(re: his tail)
71 Me too! 71

Mr. Wang gives Mai Le one last creepy look, then walks away. *

EXT. BLAKE MANOR -- NIGHT

Bizarre topiary sculptures surround a stately Gothic mansion.

INT. BLAKE MANOR - DINING ROOM -- NIGHT

BARTY BLAKE, NAN BLAKE, Mayor Jones, Mr. Wang, Fred, Daphne, Velma, Shaggy, Scooby, Mai Le and Daphne's FOUR SISTERS in full uniform, sit around an absurdly long dining room table. *

Scooby is sitting between Shaggy and Mai Le.

SHAGGY
72 Like, Scoob, swap seats with me, would ya? 72

SCOOBY
73 Why? 73

SHAGGY
74 So I can be closer to...uh...the gravy. 74

Scooby passes the gravy boat to Shaggy.

SCOOBY
75 Here ya go. 75

SHAGGY
(annoyed)
76 Thanks. But I really just want to be closer to the...Baked Alaska. 76

Scooby passes a FLAMING TRAY to Shaggy. Shaggy gives a frustrated growl.

SHAGGY
77 Scoob, just switch seats with me! 77

SCOOBY
78 Fine! Testy. 78

Scooby and Shaggy switch seats. Shaggy happily settles in next to Mai Le as--ding-ding-ding! Barty clinks his glass, standing.

BARTY
79 Mr. Wang. Friends. 79 *
(sour)
80 Fred. 80
(then)
81 I would just like to say-- 81

Without warning, the LIGHTS GO OUT.

BARTY
82 --who turned out the lights? 82

Ka-Bloom! An explosion of RED SPARKS fills the room. The startled guests watch as the smoke from the sparks curls into two terrifying DRAGON CLAWS.

The smoky Dragon Claws reach out, one toward Mr. Wang and one toward Mai Le.

The smoky dragon claw swipes at Mai Le. She SCREAMS as it dissipates around her. A horrifying GROWL fills the room. And from the center of the smoke emerges...a RED KUNG FU WIZARD! He flies over the table, showering sparks. Guests dive for cover.

RED KUNG FU WIZARD
83 Do not disturb the Dragon's Heart 83
or you will pay the price!

The Red Wizard claps his hands and red sparks explode from his fingertips, shooting straight at us!

CUT TO BLACK.

ACT TWO

INT. BLAKE MANOR - DINING ROOM -- NIGHT

The blazing red eyes of the Red Wizard as he hovers over the table. The frightened guests peer out from under the table.

RED KUNG FU WIZARD
84 The Dragon's Heart belongs to no 84
one! Whoever tries to claim it
will die!

Red Kung Fu Wizard finds Mai Le peeking up over the table. He zooms up on her, hands stretched out like claws.

RED KUNG FU WIZARD
85 You! You have unknowingly brought grave danger to all who are near you! 85

Shaggy pops up next to Mai Le, but the sight of the Red Wizard stops him cold.

SHAGGY
86 Like, I came out to protect you. But I seem to be paralyzed with fear. 86

Mai Le pulls Shaggy back under the table, just as the Red Wizard throws sparks at them.

UNDER THE TABLE, the group huddles together.

VELMA
87 What is the Dragon's Heart? 87

DAPHNE
88 And who is that guy? 88

MR. WANG
89 It is an evil Chinese demon! It must be stopped! 89

Suddenly the entire table is upended, exposing the group. They stare in horror at the Red Wizard floating over them. He gives an awful cackle.

NAN BLAKE
90 Somebody do something! 90

FRED
91 Way ahead of ya, Mrs. Blake. 91

Fred runs over to a window. Pulls the curtain back, revealing a ROPE. He yanks it. This releases the CHANDELIER, which plunges to the dining room floor. The Red Wizard swoops out of the way as the chandelier shatters into a million pieces.

The weight of the falling chandelier pulls a series of ropes over pulleys, sending TWO STONE STATUES flying off their bases. They roll across the floor, forcing the Red Wizard to dodge them. The statues crash into the far wall, exploding in stone shrapnel.

This causes a giant floor-to-ceiling BOOKCASE to topple over. It hits the floor with a thunderous thud. But attached to the back of the bookshelf are more ropes, which activate another system of pulleys, this time yanking all of the Persian RUGS out from under the guests. Guests go flying in all directions.

The rugs are pulled to each side of the room as a NET falls from the ceiling. The Red Wizard looks up to see the net plunging down. He gives a roar as he claps his hands.

KAPOOF! There's an explosion of red sparks...and the Red Wizard is gone! The net drops through open air, right on top of the guests.

MAYOR JONES
92 Rumbling Swamp Crickets, what just happened?! 92

BARTY
93 I seem to be trapped in some sort of net! 93

FRED
(proud)
94 Not just any net! That's a Brownburger B-41. Titanium woven. Aircraft-grade aluminum grommets. This baby's shark proof! 94

DAPHNE
95 But why is it in our dining room? 95

FRED
96 I installed it last year, for a situation just like this. 96

VELMA
97 You booby-trapped Daphne's house? 97

FRED
98 I booby-trapped all your houses, for protection! And it's a good thing I did. We almost caught that wizard! 98

NAN BLAKE
99 Almost?! You destroyed my dining room! 99

FRED
100 Hey, you can't trap an omelet without breaking a few eggs, am I right? 100

Fred reaches through the net to a nearby rope and pulls it. The net raises just enough for everyone to crawl out. Barty and Mayor Jones both rush over to help Mr. Wang up.

MAYOR JONES
101 Mr. Wang, I'm so sorry about this. 101

BARTY
102 Spare me. Things like this always happen when the Jones boys are around. 102

MAYOR JONES
103 What's that supposed to mean? 103

Mr. Wang dusts himself off.

MR. WANG
104 Thank you for this..."memorable" evening. But I have had enough excitement for one night. It is time I return to my economy lodging. 104 *

Mr. Wang politely leaves. *

BARTY
105 Daphne, I want your idiot boyfriend OUT OF MY HOUSE!! 105

Barty storms out, followed by Nan, who clutches her broken china, sobbing. Mayor Jones simply looks at Fred and shakes his head, disappointed. Then he, too, exits. Daphne turns to Fred. She's furious.

FRED
106 Did you hear that? 106
(smiles)
107 Your dad called me your boyfriend! I think tonight was a big step forward. 107

Daphne is so mad, she can't even speak. Velma steps in.

VELMA
108 Maybe we should just look for some clues. 108

SCOOBY
109 Good idea! 109

Scooby begins sniffing the floor. Suddenly he sneezes loudly. A cloud of RED DUST poofs into the air. *

SHAGGY
110 What'd ya find, Scoob? 110

Velma picks up a pinch of the red dust.

VELMA
111 It's some kind of red dust. 111

MAI LE
112 That's not dust, it's tea. Scarlet Oolong, to be exact. This tea is very rare. 112

Velma tosses a pinch into a nearby candle. The tea crackles into RED SPARKS, just like the Red Wizard's.

VELMA
113 And flammable. 113

FRED
114 I only know one place in Crystal Cove that specializes in rare, flammable teas... 114

EXT. CHEN'S INTERNET CAFE & CHINESE EMPORIUM -- NIGHT

All the stores are closed. Chen's windows are dark. The only light comes from the street lights. The Mystery Machine is parked across the street. On the top of the van, right above the driver's side seat, is a small DOME. It swivels.

INT. MYSTERY MACHINE -- CONTINUOUS

Fred sits behind the wheel, arms draped over the handles of a PERISCOPE. He peers into the viewfinder. Daphne sits shotgun. Shaggy, Scooby, Mai Le and Velma are crowded in the back. Velma, arms crossed, is annoyed. Fred collapses the arms and pushes the periscope up into the ceiling.

FRED
115 Looks pretty quiet out there. 115

VELMA
116 Fred, when did you install a periscope in the Mystery Machine? 116

DAPHNE
117 Probably right around the time he was installing a trap in my dining room. What else aren't you telling us, Fred? 117

FRED
118 Nothing, Daphne. I swear. 118

DAPHNE
119 Whatever. Where's my lip gloss. 119

Daphne reaches into the glove box. The moment she opens it, Fred gets a panicked look on his face.

FRED
120 Wait, Daphne-- 120

Too late. Daphne is EJECTED through the roof of the van.

DAPHNE
121 Ahhhh!!!! 121

FRED
(grimaces)
122 Oops. I guess there was one other thing I didn't tell you. 122

In the way back, Shaggy sits with Mai Le.

SHAGGY
123 Now Mai Le, the key to a good stakeout is making sure you got enough snacks. 123

Shaggy lifts up a GIANT BAG OF SNACKS.

SHAGGY
124 This is Scoob and my Special Stakeout Snack Sack. We've got something from every food group: Salty, Sugary, Jerky and Ice Cream. Like, I recommend eating the ice cream first. 124

Shaggy holds up two spoons. Scooby goes to take one, but Shaggy hands it to Mai Le.

SCOOBY
125 Huh? 125

Scooby watches in growing horror as Shaggy and Mai Le dig into a tub of ice cream. He gives a WHIMPER. Shaggy doesn't notice. He whimpers louder. Shaggy still doesn't notice. He gives a comically loud whimper. Velma puts her arm around Scoob.

VELMA
126 I feel your pain, dog. 126

UP FRONT, Daphne climbs back into the Mystery Machine looking like a complete mess. Fred stares at her sheepishly.

FRED
127 Daphne, I am so sorry... 127

DAPHNE
128 Save it! 128

Suddenly, the entire Mystery Machine begins the SHAKE. WHITE BOLTS OF ELECTRICITY envelop the van. The van rocks violently, the bolts of electricity obscuring their view outside.

MAI LE
129 What’s going on! 129

SHAGGY
130 Zoinks! Let's get outta here! 130

Fred turns the key in the ignition, but nothing happens.

FRED
131 It’s dead! 131

Velma grabs the handle to the side door.

VELMA
132 This way! 132

EXT. MYSTERY MACHINE -- CONTINUOUS

The side door slides open and the entire Gang piles out on top of each other. From above comes a terrifying LAUGH. They all look up to see--

A WHITE KUNG FU WIZARD hovering above the van. White bolts of electricity emanate from his body.

DAPHNE
133 It's the wizard from the party! 133

They hop to their feet and turn to run, only to skid to an instant stop. SHZAM! A shower of RED SPARKS explodes in front of them. They shield their eyes as the Red Kung Fu Wizard flies up.

FRED
134 Wait, no-- that's the wizard from the party! 134

VELMA
135 Two wizards?! What is going on? 135

The two Wizards give battle cries as they fly through the air at each other. They collide in a brilliant explosion of red and white energy. The Gang scrambles under the Mystery Machine, seeking cover.

An awesome Kung Fu Wizard battle breaks out. White Wizard fires bolts of white electricity from his fingertips. Red Wizard waves his hands, creating a red energy field that deflects the lightning into a nearby pile of trash cans. Trash flies everywhere as the cans EXPLODE.

Red Wizard retaliates with a red FIREBALL, but White Wizard swoops out of the way. The fireball hits a telephone pole, sending it crashing to the ground.

The Gang watches in awe from under the van.

SHAGGY
136 Like, this would be so cool if I wasn't so scared! 136

Velma notices THREE JADE DRAGON RINGS on the White Wizard's hand. She looks to the ring that Mai Le is wearing.

VELMA
137 That White Wizard has three rings exactly like yours. 137

MAI LE
138 That's weird. 138

Both Wizards hover in the air, focusing all their power. Their hands begin to glow with their respective colors. Then, at the same time, they both unleash the energy. A wall of white lightning collides with a wall of red fire.

KA-BOOM! A huge shock wave rolls through downtown, shattering all the windows on the block. Without warning, White Wizard flings a barrage of lightning bolts at Red Wizard, who is caught off guard. Red Wizard is blasted through the air and into a DUMPSTER. The lid slams shut.

White Wizard spins around, searching for the gang.

SCOOBY
139 Uh-oh. 139

SHAGGY
140 Like, I second that, Scoob. 140

FRED
141 Quick everybody, back in the van! 141

INT. MYSTERY MACHINE -- CONTINUOUS

The Gang piles back in. Fred hops in the driver's seat. Cranks the key. But the engine just won't turn over.

FRED
142 Come on come on come on! 142

Mai Le is halfway in through the back of the van when...

MAI LE
143 Help!! 143

Something has her legs, pulling her back.

SHAGGY
144 Mai Le! 144

Shaggy dives, grabbing her hands just as she's about to be pulled away.

MAI LE
145 Don't let go of me! 145

SHAGGY
146 Don't worry, I got-- 146

Mai Le is yanked from his grasp.

SHAGGY
147 --you. Like, curse my sweaty palms! 147

Mai Le's scream echoes as she disappears around the side of the van and out of sight.

Fred cranks the key. Once. Twice. The engine still refuses to turn. And then, on the third try--the engine roars to life. Fred throws the van in gear and hits the gas.

EXT. CHEN'S INTERNET CAFE & CHINESE EMPORIUM -- CONTINUOUS

White Wizard hovers in the air, holding Mai Le by her arms. She screams as she fights to get away.

WHITE KUNG FU WIZARD
148 The ring! Give it to me!! 148

He reaches for the ring on her finger. And then he's blinded by approaching lights. It's the Mystery Machine, racing at him. The side door opens and Shaggy leans out, just as Fred cranks the wheel, sending the van DRIFTING.

The Mystery Machine collides with White Wizard, sending him flying. Mai Le is flung through the open back door and into the van, safe and sound.

SHAGGY
149 Like, we got her! 149

Fred floors it. The Mystery Machine tears down the street, dodging trash cans and the fallen telephone pole.

INT. MYSTERY MACHINE -- CONTINUOUS

The Gang watches through the back windows as the White Wizard gives chase.

VELMA
150 He's still coming! 150

SCOOBY
151 Not for long! 151

They watch as suddenly the Red Wizard shoots up out of the dumpster and flies at White Wizard. The Wizards collide, sparks showering. In the distance, POLICE SIRENS wail.

EXT. CRYSTAL COVE - MAIN STREET -- CONTINUOUS

The Mystery Machine screeches around the corner. Above the street, the battle continues as Red Wizard and White Wizard blast each other with energy. The police sirens grow louder.

There's a flash of red and white light. And the Wizards are GONE! Smoke curls into the shapes of dragons that snarl before blowing away on the wind. A beat later, TWO POLICE CARS skid to a halt.

EXT. DINKLEY HOUSE -- NIGHT

The house is dark and quiet. Suddenly the Mystery Machine SCREECHES to a stop at the curb, like Fred's been flooring it the whole way. The side door opens and Velma climbs out.

VELMA
152 Are you okay, Mai Li? 152

Mai Le climbs out.

MAI LE
153 I am now... 153
(to Shaggy)
154 ...thanks to Shaggy. I owe you my 154
life. *

SHAGGY
155 It was, you know, like nothing. 155

She waits for Shaggy to make a move. He doesn't. Just stands there with a stupid grin.

SHAGGY
156 What? Is there something in my teeth? 156

VELMA
157 <shakes her head> Come on! 157

Velma yanks Mai Le out of the van. Fred hits the gas and the Mystery Machine takes off.

INT. DINKLEY HOUSE - VELMA'S BEDROOM -- NIGHT

Velma clicks the lights on as she and Mai Le enter.

MAI LE
158 So...what's the story with Shaggy? He's cute. 158

VELMA
159 Stay away from Shaggy. He has dog issues. 159

MAI LE
160 I don't know what that means. 160

The lights overhead flicker. POP! The LIGHTS GO OUT.

VELMA
161 Now what... 161

Just then, a WHITE GLOW shines in from outside. Velma and Mai Le shield their eyes as the BEDROOM WINDOWS SHATTER and the White Wizard flies in, laughing maniacally!

CUT TO BLACK.

## ACT THREE

INT. DINKLEY HOUSE - UPSTAIRS HALL -- NIGHT

The door to Velma's bedroom flies open, and Velma and Mai Le sprint out, screaming. The White Wizard flies after them.

VELMA
162 Quick, Mai Le, this way! 162

Ala *Evil Dead 2*, Velma and Mai Le race through the upstairs, slamming doors in the White Wizard's face, only to have him smash them open, again and again and again. Velma and Mai Le end up back in the hall. They race down the stairs.

INT. DINKLEY HOUSE - LIVING ROOM -- CONTINUOUS

Velma and Mai Le dive over the couch, just as the White Wizard unleashes a bolt of white electricity. The bolt hits the back of the couch, scorching it.

WHITE KUNG FU WIZARD
163 Give me the ring! It is the key to possessing the Dragon's Heart! 163

Mai Le stands up from behind the couch.

VELMA
164 What are you doing?! 164

MAI LE
165 Where I come from we are taught to respect two things: manners and karaoke. I can't teach this Kung Fu Wizard to respect the former, but it's not too late to make him sing. 165

Mai Le's eyes narrow as she strikes a kung fu stance. White Wizard gives a loud cry and flies at Mai Le. She leaps into action, delivering a flying kick into the Wizard's stomach.

WHITE KUNG FU WIZARD
(sings/screams)
166 Eeeeeeee--ugh! 166

He crashes to the ground.

VELMA
167 Jinkies! That was a pitch perfect E above high C. You go girl! 167

White Wizard leaps back up. He throws punch after punch, but Mai Le blocks each one. White sparks shower everywhere. Mai Le's back bumps into the wall. Nowhere to go. White Wizard grins. He raises his fist as it begins to glow white.

BONK! Velma cracks the Wizard over the head with a metal lamp. His eyes roll in his head as he staggers around, dazed. Velma grabs Mai Le's hand.

VELMA
168 I think the singing lesson is over. Let's get outta here. 168

EXT. DINKLEY HOUSE -- NIGHT

Shaggy is walking up to the door. He reads from an English-to-Chinese Dictionary as he practices lines.

SHAGGY
(in gibberish Chinese)
169 Ni you hen piao liang de jiao huai. 169
(subtitles not accurate) *
170 "You have very plump ankles." 170

The door flies open. Shaggy looks up.

SHAGGY
171 Mai Le, like, there's something I want to tell you. 171

SLAM! The girls run right into him. All three crash to the ground. Shaggy looks up as the White Wizard flies at them.

SHAGGY
(in gibberish Chinese)
172 Shen sheng de gou shi! 172
(subtitles not accurate) *
173 "Zoinks!" 173

As Velma, Mai Le and Shaggy try to untangle themselves, the White Wizard SNATCHES THE JADE DRAGON RING from her finger.

MAI LE
174 My ring! 174

The White Wizard gives a victorious laugh and--POOF!--he vanishes in a cloud of smoke. Shaggy and the Girls sit up.

SHAGGY
175 That is not how I imagined this happening. 175

INT. CHEN'S INTERNET CAFE & CHINESE EMPORIUM -- DAY

The Gang and Mai Le sit at a table. Velma joins them.

VELMA
176 I have searched every corner of the internet, and I cannot find anything about the Dragon's Heart. 176

DAPHNE
177 And why did he steal Mai Le's ring? He already had three of them. 177

We hear the sound of oversized coffee cups SMASHING on the floor. Chen runs over, all in a tizzy.

CHEN
178 The wizard has all four rings?! 178 *
<spouts something agitated in * 
Chinese> *

FRED
179 Chen, what do you know about this? 179

Chen sighs. He takes a seat.

CHEN
180 I suppose it's time you should know: that Red Wizard who has been popping up outta nowhere? It's me. 180 *
* 
*

SHAGGY/SCOOBY
181 What?! 181

CHEN (young cricket)
182 When I was a ~~young man-san~~ in China, I was entrusted with a priceless ruby called the Dragon's Heart. Centuries ago, the ruby was encased inside a great jade dragon. Legend has it, you must use four sacred rings to gain access to the Dragon's Heart. 182 *

SHAGGY
183 But like, now the White Wizard has all four rings. 183

VELMA
184 If only we had that jade dragon. We could use it to lure him-- 184

FRED/DAPHNE
185 Into a trap! 185

They look at each other. Fred smiles, hoping the friction is subsiding. Daphne gives him a sour look and turns away.

CHEN
186 You're in luck, because the jade dragon is right over there. 186 *

They all turn to see...the JADE DRAGON STATUE in Chen's front window (or where the window was before the wizard fight).

GANG
187 Oooooooh. 187

FRED
188 Gang, it's trappin' time. 188

DISSOLVE TO:

EXT. CHEN'S INTERNET CAFE & CHINESE EMPORIUM -- LATER

Chen turns the sign in the door to "Closed" and locks the door. He looks at the Jade Dragon in his windowless window.

CHEN
(announcing loudly)
189 I sure hope no one notices this window is gone and steals my jade dragon. Oh well. 189 * * *

Chen strolls off. We push past the Jade Dragon and into--

INT. CHEN'S INTERNET CAFE & CHINESE EMPORIUM -- CONTINUOUS

Shaggy sits at a table by himself, holding a rope. He's nervous. Someone approaches. Drops a SACK on the table.

MAI LE
190 You look like you could use a Stakeout Snack Sack. 190

SHAGGY
191 Dude, you're the coolest. 191

Mai Le sits down at the table. They're about to dig into the sack when all of the COMPUTERS in the cafe begin to FLICKER.

SHAGGY
192 Like, why do I get the feeling I'm about to go hungry? 192

Bam! The front door flies off its hinges. The White Wizard bursts in, hovering several feet off the ground. He holds up a fist revealing...the FOUR DRAGON RINGS.

SHAGGY
193 Hope this works. 193

Shaggy pulls the rope, which lowers a fake GHOST right behind Scooby, who sits on a STATIONARY BIKE. Terrified of the "ghost", Scooby begins peddling the bike, which winds up a rope, pulling back the arm of a CATAPULT. As the White Wizard swoops about, Fred swivels the catapult, aiming it.

FRED
194 Now! 194

Daphne and Velma pull a rope, releasing the catapult, which launches a GIANT NET onto the White Wizard, CAPTURING HIM.

FRED
195 The Brownburger B-41! It's the trapper's trap! 195

As they surround the White Wizard, Mayor Jones bursts in.

MAYOR JONES
196 Spicy giblet ponies, Fred, why do you have a ~~hobo~~ tied up in here? (Geisha) You know they belong downtown in Crystal Cove's ~~"Hobo Circus~~ of Terror." Geisha House * 196

FRED
197 He's not a ~~hobo~~, dad, he's a (Geisha) wizard. Or at least that's who he's pretending to be. 197

Velma yanks off the White Wizard's mask. It's--

GANG
198 Mr. Wang! 198

MAYOR JONES
199 What? Wang? Why? 199

MR. WANG
200 I've searched for the Dragon's Heart all my life. I tracked it to your silly little town, and it was almost mine! MINE!! 200

MAI LE
201 You won't be needing these anymore. 201

Mai Le slips the FOUR RINGS from Mr. Wang's hand.

DAPHNE
202 Now it all makes sense. 202
203 Mr. Wang used his supposed "research" trip to Crystal Cove as an excuse to hunt for the Dragon's Heart. 203 * * *

FLASHBACK TO:

EXT. CRYSTAL COVE - MAIN STREET -- DAY

The Gang, Mai Le and Mayor Jones stand with Mr. Wang.

DAPHNE (V.O.)
204 When he saw that Mai Le was wearing the fourth dragon ring, he knew he was close. 204

Mr. Wang spots Mai Le's ring. Tries to hide his excitement.

EXT. CHEN'S INTERNET CAFE & CHINESE EMPORIUM -- NIGHT

The White Wizard hovers over the Mystery Machine as the Gang and Mai Le cower under it.

DAPHNE (V.O.)
205 Mr. Wang posed as the evil White Kung Fu Wizard to steal the fourth ring from Mai Le. 205

Suddenly the Red Wizard shows up to battle the White Wizard.

DAPHNE (V.O.)
206 But Chen pretended to be a Red Wizard in an effort to stop him. 206

The Wizards begin to fight.

EXT. DINKLEY HOUSE - VELMA'S BEDROOM -- NIGHT

Mr. Wang, in his White Wizard outfit sans mask, floats outside Velma's window. Inside, we see Velma and Mai Le.

VELMA (V.O.)
207 After the wizard battle downtown, Mr. Wang came to my house in one last effort to get the ring. 207

With a pair of wire cutters, Mr. Wang cuts a POWER LINE running up the side of the house. Inside, the lights go out. Wang slips on the Wizard mask and crashes through the window.

BACK TO:

INT. CHEN'S INTERNET CAFE & CHINESE EMPORIUM -- DAY

The Gang, Mai Le, Chen and Mayor Jones stand around Mr. Wang, still trapped in the net.

SHAGGY
208 But how did he make himself fly? 208

CHEN
209 The same way I did. 209

Chen pulls off Mr. Wang's White Wizard robe to reveal a JET PACK strapped to his back.

CHEN
210 Jet pack! 210

GANG
211 Oh!/Of course!/Naturally. 211

DAPHNE
212 And the magic lightning bolts? 212

Velma pushes up Mr. Wang's sleeve. Strapped to each wrist is a METAL BULB connected to a metal pipe running up his arm.

VELMA
213 Homemade Tesla coils. Genius! 213

MR. WANG
214 It was the perfect plan! That ruby is priceless! I was going to be rich! And I would have gotten away with it if it weren't for you-- 214

Fred slaps the White Wizard mask back on Mr. Wang (a little crooked), shutting him up.

FRED
215 Save it, Wang. We've heard it all before. 215

EXT. CHEN'S INTERNET CAFE & CHINESE EMPORIUM -- NIGHT

The Gang and Mai Le make their way to the Mystery Machine.

MAI LE
216 I can't thank you all enough for what you've done for me. Oh, and before I forget... 216

Mai Le pulls the four rings from her pocket.

MAI LE
217 Chen rightfully should have these. 217

SHAGGY
218 Like, so now that it's all over, Mai Le, I was wondering if we could like... you know, um, like, how do I say this... 218

SCOOBY
219 Go on a date? 219

SHAGGY
220 Right. Thanks pal. 220

MAI LE
221 Oh, Shaggy. I'd love to but it's time for me to return to China. 221

SHAGGY
222 What?! When do you leave? 222

MAI LE
223 In ten minutes. 223

VELMA
(grinning)
224 Well, you don't want to miss your flight. 224

MAI LE
225 Goodbye everyone. I'll never forget you. Especially you, Shaggy. 225

Mai Le shoulders a BOOK BAG and wanders off.

SHAGGY
226 I guess this is what if feels like to have your heart broken? 226

Scooby gives a sympathetic whimper and pats Shaggy on the shoulder. Shaggy looks to Velma, who actually feels bad.

VELMA
227 Sucks, doesn't it? 227
(beat)
228 You know, one of the things I always wanted a boy to do was surprise me and see me off as I was leaving on a plane. 228

DAPHNE
229 Yeah, that is romantic. 229

SHAGGY
230 But, like, I don't even know what flight she's on. 230

VELMA
231 It's Crystal Cove, Shaggy. We've only got the one plane. 231

FRED
232 Come on, gang. I'll drive. 232

Shaggy's face lights up.

SHAGGY
233 Thanks guys. And thanks Velma. 233

Velma gives him a smirk and hops in. They drive away.

SLOW DISSOLVE TO:

EXT. CRYSTAL COVE HARBOR -- NIGHT

SAILBOATS and YACHTS bob in the water. THE SILHOUETTE OF A * DARK FIGURE in a trench coat sneaks by. The Figure moves silently to...A CHRIS-CRAFT type boat (design note: this boat * is the same boat that will be used in EP. 620 "THE SIREN'S * SONG", it is modeled after the CHRIS-CRAFT ROAMER 40). The * Dark Figure climbs aboard. A beat later, the boat's engines * fire up, the boat cruising away from the dock and out to sea. *

INT. BOAT - MAIN CABIN -- NIGHT *

The Dark Figure sets a WOODEN BOX down on a table. Opens it. A huge RUBY sparkles up at us. The DRAGON'S HEART! The Dark Figure reaches out, picking up the ruby. Chuckles--

DARK FIGURE
234 Finally. Mine. So long, Mystery Incorporated-- WHOAH! 234

Suddenly the boat turns sharply, throwing the Dark Figure off * balance. The ruby goes flying from her hands and into the hands of...Shaggy, standing in the doorway.

SHAGGY
235 Hello, dude. Or should I say... Mai Le. 235

The Dark Figure spins. Steps in to the light. Shock. It's Mai Li. And she is not happy.

SHAGGY
236 I went to the airport to see you off. But you weren't on the plane. It was always about this ruby, wasn't it? You just used us to get Wang out of the way so you could get the other rings. 236

MAI LE
237 That's right. 237

FLASHBACK TO:

INT. CHEN'S INTERNET CAFE & CHINESE EMPORIUM -- NIGHT

The Gang and Mai Le stand around Mr. Wang, who is caught in Fred's net.

MAI LE (V.O.)
238 While you and your idiot friends were explaining Wang's plan, I opened the Jade Dragon and took the ruby. 238

While Velma is busy explaining how Mr. Wang did it, Mai Le -- unnoticed -- slips over to the JADE DRAGON. Opens it with the rings, slipping the ruby in her book bag.

FLASHBACK TO:

MAI LE
239 The Dragon's Heart belongs to me! 239

SHAGGY
(tough)
240 Fine. Come and get it. 240

Mai Le karate chops the table, splitting it in half.

SHAGGY
(not so tough)
241 Zoinks! 241

Shaggy takes off running. Mai Le is close behind.

EXT. BOAT - DECK -- CONTINUOUS *

Shaggy bolts across the deck. Mai Le pulls some sweet PARKOUR MOVES--leaping up to the next deck, sliding down a rail to land...right in the middle of a ROPE LOOP. Confusion on her face as--

CINCH! The loop pulls tight around her ankles, and Mai Le is hoisted into the air. As she dangles upside down, the rest of the GANG comes running up.

MAI LE
242 Let me down, you idiots! 242

SCOOBY
243 You okay, Shaggy? 243

Shaggy doesn't answer. Somberly looks from the Dragon's Heart in his hands to Mai Le, still hanging upside down.

SHAGGY
244 Was everything about you a lie? Even...us? 244

MAI LE
245 Sorry... dude. 245

Shaggy turns away, completely bummed. Velma can't help but feel a little sympathy for him. She goes up to Mai Le.

VELMA
246 He's too good for you, dog issues or no dog issues. 246

MAI LE
247 I still don't know what that means. 247

DAPHNE
(calling)
248 Mom, Dad, you can come out now. 248

FROM THE UPPER DECK, Nan and Barty appear.

FRED
249 Thanks again, Mr. and Mrs. Blake, for letting us disguise your boat as Mai Le's escape boat. 249 *

BARTY
250 I have to admit, Fred... Your stupid trap actually worked! 250

FRED
251 Awfully nice of you to say, sir. 251

DAPHNE
(turns to Fred, beaming)
252 I think Daddy's warming up to you. 252

NAN
253 Just one question. How did you know Mai Le would step right there in the middle of your trap? 253

FRED
254 I didn't. That's why I set traps all over this boat! 254

BARTY AND NAN
255 You did what? 255

Without warning, a ROPE tightens around Barty's ankles and HOISTS HIM INTO THE AIR as a NET falls on Nan.

BARTY
256 Fred Jones, you bafoon! 256 *

Daphne sighs. And Scooby-Doo giggles as...

EXT. CRYSTAL COVE HARBOR -- NIGHT

...the boat makes a U-Turn, heading back to the harbor, the lights of Crystal Cove twinkling in the background. *

CUT TO BLACK
